

## 2110 - Administrative Leeway in Absence of Policy

### **Policy**

When situations arise which require either a governing board or an administrative decision, and there is in existence no specific policy to guide the Chancellor, the Chancellor shall be authorized to act in conformance with the intent of other adopted policies and actions or practices of the past. He/She shall report such actions to the Board of Trustees, and shall recommend the development of policy to cover such situations.

***Adopted: June 28, 2004***
