### INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees Yosemite Community College District Modesto, California

We have conducted a performance audit of the Yosemite Community College District (the "District"), Measure E General Obligation Bond funds for the year ended June 30, 2019.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on the audit objectives.

Our audit was limited to the objectives listed on page 4 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure E General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIIIA of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Yosemite Community College District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Yosemite Community College District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIIIA of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal controls.

The results of our tests indicated that, in all significant respects, Yosemite Community College District expended Measure E General Obligation Bond funds for the year ended June 30, 2019 only for the specific projects developed by the District's Governing Board and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIIIA of the California Constitution.

### OBJECTIVES

The objective of our performance audit was to determine that the District expended Measure E General Obligation Bond funds for the year ended June 30, 2019 only for the purposes approved by the voters and only on the specific projects developed by the District's Board of Trustees, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

### SCOPE

The District provided to us a list of all Measure E General Obligation Bond projects and specific expenditures for the year ended June 30, 2019 (the "List"). An approximate total of 528 transactions were identified, representing \$5,856,014 in expenditures from July 1, 2018 through June 30, 2019.

### METHODOLOGY

We performed the following procedures to the List of Measure E General Obligation Bond project expenditures for the year ended June 30, 2019:

- Verified the mathematical accuracy of the expenditures list.
- Reconciled the list to total bond expenditures as reported by the District in the District's audited Measure E General Obligation Bonds financial statements for the year ended June 30, 2019.
- Compared total project expenditures to budgets to determine if there were any expenditures in excess
  of appropriation (Attachment A).
- Selected a sample of 25 expenditures totaling \$3,740,101 from Measure E. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. Verified that the expenditures were for authorized projects, and were to repair, upgrade and construct facilities and expand college education centers.

#### CONCLUSION

The results of our tests indicated that, in all significant respects, Yosemite Community College District expended Measure E General Obligation Bond funds for the year ended June 30, 2019 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.
