

OPEN ENROLLMENT 2022-23

During the annual “Open Enrollment Period” any enrolled active full-time or retired employee may change their medical plan and add or terminate any eligible dependents (some documentation may be required). If you are not currently enrolled in a medical plan as a retiree, you may not enroll at this time.

*The District will **not** be holding open enrollment meetings this year. If you require additional information or documents, contact us via email: **Lori Smith** - smithl@yosemite.edu (209) 575-6024 or **Rhonda Campbell** - campbellr@yosemite.edu (209) 575-6162. We are available to answer questions and provide you with any required documents. **If you would like to schedule a phone meeting please provide your contact number and you will receive a call back.***

Not Making a Change

If you do **not** wish to make changes during Open Enrollment, **no action is required**. Your current enrollment will be updated and transitioned by the Benefits staff. You will receive a notification letter that will include the new rates for Benefit year **October 1, 2022-September 30, 2023**.
