Subject: 2023- 2024 Open Enrollment

Welcome to the 2023 - 2024 Open Enrollment! We are excited to announce changes to your upcoming Benefits Open Enrollment! We are committed to providing you with benefits that promote your health and well-being as part of your compensation package as well as making the process as easy as possible for you. New this year, Yosemite Community College District will be going green and transitioning to a secure online benefits enrollment! YCCD has partnered with American Fidelity to offer you this secure web-based enrollment system that will streamline your benefits selection. In addition to providing the enrollment system, AF will also become the college's Section 125 provider! **If you wish to continue or enroll in a Section 125 Flexible Spending Account or Dependent Day Care account, you will need to schedule an appointment to confirm your election for 2024 as these plans do not continue automatically.**

Open enrollment will begin on July 18th and ends August 25th.

[To transition to this online enrollment, YCCD is strongly encouraging that all benefit eligible employees meet with an American Fidelity \(AF\) benefit counselor.](#)

Appointments can be scheduled online

Upon completion of your enrollment, you will be entered into a raffle for a chance to win one of six \$50 Amazon gift cards.

During your appointment, you will review the following with the American Fidelity Benefits Counselor.:

- Introduce and walk you through completing your benefits election online.
- Update all beneficiaries for your district provided group Life Insurance.
- Review the SISC value added benefits available at no cost.
- Review voluntary coverages. There is no obligation to enroll in voluntary coverages.
- Please be ready to supply supporting documents for any dependents you want to add to your plans.
