Please review the Benefit Booklet for more about Benefits that require prior authorization.

Notes

1 Benefit Booklet:

The Benefit Booklet describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the Benefit Booklet for more details of coverage outlined in this Summary of Benefits. You can request a copy of the Benefit Booklet at any time.

Capitalized terms are defined in the Benefit Booklet. Refer to the Benefit Booklet for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before the Claims Administrator pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount.
 - Any charges above the specified Benefit maximum are not covered, do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider.
-

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount, which is subject to any stated Benefit maximum.
- Charges above the Allowable Amount do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.

- Some Benefits from Non-Participating Providers have the Allowable Amount or Benefit maximum listed in the Benefits chart as a specific dollar (\$) amount. You are responsible for any charges above the Allowable Amount or Benefit maximum, whether or not an amount is listed in the Benefits chart.

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, the Claims Administrator will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowable Amount, and charges for services above any Benefit maximum.

Essential health benefits count towards the OOPM.

This Plan has a combined Participating Provider and Non-Participating Provider OOPM. However, only the following Non-Participating Provider services will accrue to the combined OOPM:

- Ambulance services; and
- Emergency services.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

8 Outpatient Facility Services

Services and supplies for the following Outpatient surgeries are subject to a Benefit maximum if performed in the Outpatient department of a Hospital: arthroscopy, cataract surgery, colonoscopy, upper GI endoscopy, and upper GI endoscopy with biopsy. The Benefit maximum does not apply when the same services are provided in a participating Ambulatory Surgery Center.

9 For Services by Non-Preferred, Non-Participating and MHSA Non-Participating Providers:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

You are responsible for all charges above the Allowable Amount. However, if the Non-Preferred/Non-Participating/MHSA Non-Participating Provider is a Hospital based Physician performing Services at a Participating/MHSA Participating Provider (in-network) facility; or out of network lab services, when performed by an in-network (participating)

provider, but sent to a non-participating provider for processing, the Claims Administrator's payment will be made at the Participating Provider copayment level.

Authorized Referrals for Services by Non-Preferred/Non-Participating//MHSA Non-Participating Providers –

In some circumstances, the Claims Administrator may authorize participating provider cost share amounts (Deductibles or Co-Payments, if applicable) to apply to a claim for a covered service you receive from a non-participating provider. In such circumstance, you or your physician must contact the Claims Administrator in advance of obtaining the covered service. It is your responsibility to ensure that the Claims Administrator has been contacted. If the Claims Administrator authorizes a participating provider cost share amount to apply to a covered service received from a non-participating provider, you also may still be liable for the difference between the maximum allowed amount and the non-participating provider's charge. Please call the customer service telephone number on the back of your ID card for authorized referral information or to request authorization.

Authorized referral occurs when you, because of your medical needs, are referred to a non-participating provider, but only when:

- a. There is no participating provider who practices in the appropriate specialty, which provides the required services, or which has the necessary facilities within a 50-mile radius of your residence;
- b. You are referred in writing to the non-participating provider by the physician who is a participating provider, and
- c. The referral has been authorized by the Claims Administrator before services are rendered. You or your physician must call the toll-free telephone number printed on the back of your identification card prior to scheduling an admission to, or receiving the services of, a non-participating provider. Such authorized referrals are not available for transplant and bariatric surgical services. These services are only covered when performed at a COE.

Plans may be modified to ensure compliance with Federal requirements.

Navitus MedicareRx (PDP) Summary of Benefits 2022

Part D Prescription Drugs

The benefit information provided is a summary of what we cover and what you pay. Your cost sharing may differ based on the pharmacy's status as preferred/non-preferred; mail order; long term care; home infusion; one-month or extended-day supplies; and when you enter another phase of the Medicare Part D benefit. For more information on the additional pharmacy specific cost-sharing, the stage of the benefit, or a complete description of benefits, please call us or access your Evidence of Coverage online at [Medicarerx.navitus.com](https://www.Medicarerx.navitus.com) (you will need your ID Card to register).

Yearly Deductible Stage:

During this stage, you pay the full cost of your Tier 2 Part D drugs until you have paid a \$200 yearly deductible. Once you have paid your deductible amount, you move on to the Initial Coverage stage.

Initial Coverage Stage:

During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. The table below shows your share of the cost for drugs in each of the plan's drug tiers. You stay in this stage until your total drug costs reach \$4,430, when you move on to the Coverage Gap stage.

Cost Sharing Tiers	Network Retail Pharmacy (1-30 day supply)	Network Retail Pharmacy (31-60 day supply)	Network Retail Pharmacy (61-90 day supply)	Network Mail Order Pharmacy (1-30 day supply)	Network Mail Order Pharmacy (31-90 day supply)

Tier \$0 - Certain preventative medications are available for \$0 (specific guidelines apply)					

Coverage Gap Stage:

You will continue to pay the same cost sharing amounts for your drugs as you paid in the Initial Coverage Stage until your yearly out-of-pocket Part D drug costs reach \$7,050, when you qualify for the Catastrophic Coverage Stage. Your drug copay or coinsurance may be less, based upon the cost of the drug.

Catastrophic Coverage Stage:

After your yearly out-of-pocket drug costs reach \$7,050 for Part D drugs, you pay the greater of either:
5% coinsurance or a \$3.95 copay for generic (including brand drugs treated as generic) and
a \$9.85 copay for all other drugs.

-OR- Your formulary cost sharing amount if lesser.

Additional Cost Sharing Information

- Your drug copay or coinsurance may be less, based upon the cost of the drug and the coverage stage you are in.
- Your plan will allow up to a 10-day supply of medication at an out-of-network pharmacy.
- Drugs marked as NDS on the formulary are not available for an extended supply (greater than a 1-month supply) at retail, mail order or specialty pharmacy.
- If you reside in a long-term care facility, you pay the same for a 31-day supply as a 1-month supply.

For a complete description of benefits, please call Customer Care (numbers on back cover) or access the Evidence of Coverage on the Member Portal at [Medicarerx.navitus.com](https://www.Medicarerx.navitus.com).

Additional Coverage Information

More detailed plan information is provided in your Evidence of Coverage. You can also access these documents on the Member Portal online at [Medicarerx.navitus.com](https://www.Medicarerx.navitus.com), you will need your ID Card to register. You can ask for information regarding the Evidence of Coverage, Formulary or Pharmacy Directory by calling Navitus MedicareRx Customer Care, the number is listed on the back cover.

Additional Help for Medicare called “Extra Help”

Programs are available to help people with low or limited income and resources pay for prescriptions. If you qualify, your Medicare prescription plan costs, the amount of your premium and your drug costs at the pharmacy will be less. Once you are enrolled in Navitus MedicareRx, Medicare will tell us how much assistance you will be receiving and we will send you information on the amount you will pay for your prescriptions.

If you think you may qualify for Medicare’s “Extra Help” program, call Social Security 1-800-772-1213, between 7 am and 7 pm, Monday through Friday to apply for the program. TTY users should call 1-800-325-0778. You may also be able to apply at your State Medical Assistance or Medicaid Office. If you qualify for extra help, we have included a letter in your packet, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider. For more information on how to get help with drug plan costs, see Chapter 2, section 7 of your Evidence of Coverage.

Creditable Drug Coverage

Creditable drug coverage is as good as Medicare’s standard prescription drug coverage. Creditable coverage means the coverage is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage. A late enrollment penalty is imposed on individuals who do not maintain creditable coverage for any period of 63 days or longer after being first eligible for the Medicare Part D benefit.

Income Related Monthly Adjustment Amount (IRMAA)

If your modified adjusted gross income (MAGI) as reported on your IRS tax return from 2 years ago was above a certain amount, you will pay an extra amount in addition to your monthly plan premium. For more information on the extra amount you may have to pay based on your income, visit <https://www.medicare.gov/part-d/costs/premiums/drug-plan-premiums.html>.

Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

For more information, see Chapter 1, Section 6 of your Evidence of Coverage.

Network Pharmacies

The first step to filling your prescription is deciding on a participating network pharmacy. We have network pharmacies across the country where you can obtain your prescriptions as a member of our plan. There is a pharmacy search tool and a complete list of network pharmacies on the Member Portal, [Medicarerx.navitus.com](https://www.Medicarerx.navitus.com) - click on Members to access the pharmacy search tool.

In the event of an emergency where you are not able to utilize a network pharmacy, an out-of-network pharmacy may be able to fill your prescription. **Your plan will allow up to a 10-day supply** of medication at an out-of-network pharmacy.

Recommended Mail Order Pharmacy

Our mail order service offers an easy way for you to get up to a 90-day supply of your long-term or maintenance medications. You can use any contracted network pharmacy you like, currently the recommended mail order pharmacy is **Costco Mail Order Pharmacy**. There is a pharmacy search tool and a complete list of network pharmacies on the Member Portal, [Medicarerx.navitus.com](https://www.Medicarerx.navitus.com) - click on Members to access the pharmacy search tool.

Using the recommended mail order pharmacy allows you to have your medications delivered to your home and in some cases at a lower rate than if you purchased at a retail pharmacy.

Note: Costco Mail Order Pharmacy use does not require a Costco Warehouse membership.

Recommended Specialty Pharmacy

You can use any contracted specialty pharmacy you like, however Navitus recommends **Lumicera Specialty Pharmacy** to provide the best home-delivery service and rates on specialty drugs. There is a pharmacy search tool and a complete list of network pharmacies on the Member Portal, [Medicarerx.navitus.com](https://www.Medicarerx.navitus.com) - click on Members to access the pharmacy search tool.

Supplemental Coverage

Supplemental Coverage, also known as Wrap coverage, is provided as part of your prescription benefit. This supplemental coverage may pay for prescription drugs even when Medicare does not cover them. However, you will still be responsible for paying your copayments or coinsurance.

General Information

What will I pay for Navitus MedicareRx (PDP) premiums?

Your coverage is provided through a contract with your current employer or former employer. Please contact SISC for information about your 2022 plan premium.

Where is Navitus MedicareRx (PDP) available?

The service area for Navitus MedicareRx includes all 50 states and Puerto Rico. The service area excludes most U.S. Territories, such as the U.S. Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands. You must live in the service area to join Navitus MedicareRx. If you reside outside the service area you are not eligible to be enrolled in Navitus MedicareRx.

If you plan to move out of the service area, please contact SISC. You will need to opt out of the Navitus MedicareRx plan and enroll in another Medicare Part D plan available in the service area you move to.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5, of your Evidence of Coverage.

Who is eligible to join?

You, your spouse, and dependents are eligible to join if you qualify for your plan's Medicare retiree coverage through Navitus MedicareRx; you are enrolled in Medicare Parts A and B; and you live in the service area. Your premium for Medicare Parts A and B must be paid in order to keep your Medicare Parts A and B coverage and to remain a member of this plan.

Where can I get my prescriptions filled?

Navitus MedicareRx has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. Navitus MedicareRx may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. You can ask for network pharmacies by calling Navitus MedicareRx Customer Care, the number is listed on the back cover. You can also access a pharmacy search tool on the Member Portal at Medicarerx.navitus.com, click on Members to access the pharmacy search tool. You are able request a pharmacy directory to be mailed to you by calling Customer Care, the number is listed on the back cover.

How do I know which medications Navitus MedicareRx (PDP) covers?

The Navitus MedicareRx Formulary is a list of drugs selected to meet patient needs. Navitus MedicareRx may periodically make changes to the Formulary. In the event of CMS-approved non-maintenance changes to the Formulary throughout the Plan Year, Navitus MedicareRx will notify you. Additionally, you may log in to our Member Portal at Medicarerx.navitus.com for a link to the Formulary. To access, click on Members and log in using your User ID and Password. For first time users, once you receive your ID card please click on Members, then Login to register for access.

Does my plan cover Medicare Part B or Part D drugs?

Navitus MedicareRx does not cover drugs that are covered under Medicare Part B as prescribed and dispensed, although the supplemental coverage benefit provided by SISC will pay secondary to Medicare Part B on select items such as diabetic testing supplies (review the Formulary to confirm coverage). Generally, we only cover drugs, vaccines, biologicals and medical supplies that are covered under the Medicare Prescription Drug Benefit (Part D) and that are on the Formulary. The drugs on the Formulary are selected by Navitus MedicareRx with the help of a team of doctors and pharmacists. The list must meet specific requirements set by Medicare. Medicare has approved the Navitus MedicareRx Formulary. The supplemental portion of your plan covers some additional drugs that are not part of the standard Medicare Part D formulary.

What is a Medication Therapy Management (MTM) Program?

A Medication Therapy Management (MTM) Program is a service Navitus MedicareRx offers. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate, but it is recommended that you take full advantage of this covered service if you are selected. There is no cost to you to participate in the MTM Program. If you have questions concerning our MTM Program please contact our Navitus MedicareRx Customer Care number listed on the back cover. For additional information regarding Medication Therapy Management, please refer to Chapter 3, Section 10, of your Evidence of Coverage.

What are my protections in the plan?

All Medicare prescription plans agree to stay in the program for a full year at a time. Each year, your employer group decides whether to continue for another year. If a plan decides not to continue, they must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare prescription coverage in your area.

If Navitus MedicareRx ever denies coverage for your prescriptions, we will explain our decision to you. You always have the right to appeal and ask us to review the claim that was denied. In addition, if your physician prescribes a drug that is not on our formulary, is not a preferred drug or is subject to additional utilization rules, you may ask us to make a coverage exception.
