

# Measure E Bond Program COLUMBIA COLLEGE CAMPUS CONSTRUCTION UPDATE

## UPDATES & ACTIVITIES THAT MAY IMPACT CAMPUS OPERATION *Week of June 29, 2015*

### Manzanita Building Modernization

**Work this week:** For this week we will be finishing up sanding the wood railing along the upper level. Elevator work continues to progress. Tack board arrives on Monday & will be installed through the week. Exterior signage for the archway & interior signage for the main functions of the building is due to arrive this week as well & will see installation towards the end of the week.

- Access:** Caution is advised when entering the site due to tripping hazards.  
**Noise:** Low impact as the construction activities left cause minimal sound disturbance.  
**Parking:** Low impact.  
**Dust:** Low impact.  
**Odors:** Low Impact  
**Utilities:** None anticipated.

Elevator work

## Roadways Phase III

**Work this week:** Work this week includes demo work at the turnout of the entry welcome booth. Construction will also occur at the Willow road as the contractor will finish up installing storm water vaults as well as grooming of the roads edge. We might see striping work begin towards the end of the week for the staff parking lot.

**Access:** Caution is advised when entering the site due to tripping hazards & construction related activities.  
**Noise:** Moderate to extreme noise could occur occasionally due to site related activities.  
**Parking:** Moderate impact as staff parking has been relocated to the Oak Pavilion Lot.  
**Dust:** Moderate impact due to site related construction activities.  
**Odors:** Low Impact.  
**Utilities:** None anticipated.
