

August 2008

## Measure E Bond Program Phase I Projects

### PROGRAM PROGRESS

**MJC Campus Master Plan:** Final draft has been forwarded to the Board of Trustees for review.

**Campus-Wide CEQA (CA Environmental Quality Act):** Compliance documentation is in progress for both the East and West Campuses.

### DESIGN PROGRESS

**Agricultural Complex (Housing Units, Pavilion and Animal Facility):** The Ag- Housing Units continue to be on hold pending resolution of additional soils testing required by Department of Toxic Substance Control (DTSC). Ag- Pavilion is currently in the construction document phase; DSA submittal is scheduled for mid-July. The Ag-Animal Facility Design Development is currently on fast track.

**Allied Health:** Project has been submitted to DSA for plan review and approval. The Utility Plant Building that will service the Allied Health and the Science Community Center buildings are in the early stages of schematic design.

**Science Community Center and GVM:** The design team continues to work on design development drawings for the new building. The project committee is currently meeting to review detailed requirements on the design of the building.

**Softball Complex:** Project is currently in the design development phase. Project construction start date is pending completion of DTSC's testing requirements.

**Utility Infrastructure:** tBP Architecture has been selected for this project. YCCD is currently under contract negotiations with the Project Architect. The programming and schematic design phase is tentatively scheduled to start August of 2008.

**Student Services:** The Board of Trustees has selected the corner of Coldwell and College as the new location for the building. Project committee will begin to meet for the Schematic Design Phase.

**Founders Hall and High Tech Center:** Contract negotiations are in progress with the selected Architectural firm.

**Library Learning Resource:** The Final Project Plan (FPP) was submitted to the State July 1<sup>st</sup> 2008 for review and acceptance.

**Parking Lot:** The parking lot construction documents were submitted to DSA for review mid-July.

**West Side Educational Site:** The project committee has met to review programming and design of the educational site.

**Turlock Educational Site:** The College and the Yosemite Community College District continue to analyze various properties for future location.

### CONSTRUCTION PROGRESS

#### Auditorium Project:

Equipment training sessions are in progress.
