

UPDATES & ACTIVITIES THAT MAY IMPACT CAMPUS OPERATION

Week of November 13, 2017

WEST CAMPUS SOUTHWEST PARKING LOT PROJECT

- Work:** Work on the Southwest corner of the West Campus parking lot will begin on 11/13/17. This will include installing a perimeter fence, demolishing the existing structures and off-hauling all debris.
- Access:** Impact to access will be minimal.
- Noise:** Minor impact from excavators.
- Parking:** Some adjacent parking spaces to the north of the old administration buildings will be blocked off and demolished as part of this project. Barriers and fencing will be installed.
- Utilities:** None anticipated.
- Odors:** None anticipated.
- Dust:** Minor impact due to heavy operating equipment.
