

UPDATES & ACTIVITIES THAT MAY IMPACT CAMPUS OPERATION

Week of November 20, 2017

WEST CAMPUS SOUTHWEST PARKING LOT PROJECT

- Work:** Work on the Southwest corner of the West Campus parking lot began last week. A perimeter fence has been installed and demolition will continue through the week.
- Access:** Access will not be impacted.
- Noise:** Minor impact from excavators.
- Parking:** Parking lots to the Northwest and Northeast of the Administration Building have been closed off for the duration of the project.
- Utilities:** None anticipated.
- Odors:** None anticipated.
- Dust:** Minor impact due to heavy operating equipment.
