

Graciela Molina
Senior Executive Assistant to the Chancellor

Graciela Molina serves as the Senior Executive Assistant to the Chancellor of the Yosemite Community College District (YCCD), a role she has held since 2004. With over two decades of experience in higher education, she began her career at Chabot College in the Office of Matriculation and Academic Standards, later serving in Student Services within the California State University system in Hayward before joining YCCD. A proud graduate and advocate of the California Community College system, Graciela brings a deep understanding of institutional impact on student success.

Her early work in student services provided a firsthand view of the student experience, reinforcing her belief that every level of the institution plays a critical role in shaping a student's journey—from entry to graduation or the completion of their educational goals.

In her current role, Graciela Molina supports both the Chancellor and the Governing Board as the Stenographer for the Board of Trustees and serves as a member of the Chancellor's Cabinet. She remains actively engaged in governance at the regional, state, and national levels. Most recently, she was elected to serve as the Pacific Region At-Large Member on the 2024–2025 ACCT Professional Board Staff Network (PBSN) Executive Board, a position she previously held during the 2022–2023 term. The PBSN serves as a national resource for professionals who support governing boards and college presidents/CEOs across the community college landscape.

Outside of her professional responsibilities, Graciela is devoted to her family and faith, and enjoys spending time with her husband and their playful pup.
