**Information**

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to <a href="http://www.ssa.gov">www.ssa.gov</a> .

<input type="checkbox"/> Married filing jointly or Qualifying surviving spouse		
<input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

**Step 2:**  
**Multiple Jobs**  
**or Spouse**  
**Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate . . . . . ☐

Complete Steps 3–4(b) on Form W-4 for only **ONE** of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

<b>Step 3:</b> <b>Claim</b> <b>Dependent</b> <b>and Other</b> <b>Credits</b>	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$ _____		
	Multiply the number of other dependents by \$500 . . . . . \$ _____		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here . . . . .	<b>3</b>	\$ _____
<b>Step 4</b> <b>(optional):</b> <b>Other</b> <b>Adjustments</b>	(a) <b>Other income (not from jobs).</b> If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income . . . . .	<b>4(a)</b>	\$ _____
	(b) <b>Deductions.</b> If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here . . . . .	<b>4(b)</b>	\$ _____
	(c) <b>Extra withholding.</b> Enter any additional tax you want withheld each <b>pay period</b> . .	<b>4(c)</b>	\$ _____

## General Instructions

Section references are to the Internal Revenue Code.

### Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

**When to use the estimator.** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

**Step 2(b)—Multiple Jobs Worksheet** (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . . **1** \$ \_\_\_\_\_
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
  - a** Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . **2a** \$ \_\_\_\_\_
  - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b . . . . . **2b** \$ \_\_\_\_\_
  - c** Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . **2c** \$ \_\_\_\_\_
- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. . . . . **3** \_\_\_\_\_
- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) . . . . . **4** \$ \_\_\_\_\_

**Step 4(b)—Deductions Worksheet** (Keep for your records.)

- 1** Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income . . . . . **1** \$ \_\_\_\_\_
- 2** Enter: 

{	• \$29,200 if you're married filing jointly or a qualifying surviving spouse
	• \$21,900 if you're head of household
	• \$14,600 if you're single or married filing separately

 . . . . . **2** \$ \_\_\_\_\_
- 3** If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" . . . . . **3** \$ \_\_\_\_\_
- 4** Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information . . . . . **4** \$ \_\_\_\_\_
- 5 Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 . . . . . **5** \$ \_\_\_\_\_

### YOUR CALIFORNIA PERSONAL INCOME TAX MAY BE UNDERWITHHELD IF YOU DO NOT FILE THIS DE 4 FORM

***IF YOU RELY ON THE FEDERAL FORM W-4 FOR YOUR CALIFORNIA WITHHOLDING ALLOWANCES, YOUR CALIFORNIA STATE PERSONAL INCOME TAX MAY BE UNDERWITHHELD AND YOU MAY OWE MONEY AT THE END OF THE YEAR.***

**PURPOSE:** This certificate, DE 4, is for **California personal income tax withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

You should complete this form if either:

- (1) You claim a different marital status, number of regular allowances, or different additional dollar amount to be withheld for California personal income tax withholding than you claim for federal income tax withholding or,
- (2) You claim additional allowances for estimated deductions.

**THIS FORM WILL NOT CHANGE YOUR FEDERAL WITHHOLDING ALLOWANCES.**

The federal Form W-4 is applicable for California withholding purposes if you wish to claim the same marital status, number of regular allowances, and/or the same additional dollar amount to be withheld for state and federal purposes. However, federal tax brackets and withholding methods do not reflect state personal income tax withholding tables. **If you rely on the number**

**of withholding allowances you claim on your Form W-4 withholding allowance certificate for your state income tax withholding, you may be significantly underwithheld.** This is particularly true if your household income is derived from more than one source.

**CHECK YOUR WITHHOLDING:** After your Form W-4 and/or DE 4 takes effect, compare the State income tax withheld with your estimated total annual tax. For State withholding, use the worksheets on this form, and for federal withholding use the Internal Revenue Service (IRS) Publication 919 or federal withholding calculations.

**EXEMPTION FROM WITHHOLDING:** If you wish to claim exempt, complete the federal Form W-4. You may claim exempt from withholding California income tax if you did not owe any federal income tax last year and you do not expect to owe any federal income tax this year. The exemption automatically expires on February 15 of the next year. If you continue to qualify for the exempt filing status, a new Form W-4 designating EXEMPT must be submitted before February 15. If you are not having federal income tax withheld this year but expect to have a tax liability next year, the law requires you to give your employer a new Form W-4 by December 1.

**EXEMPTION FROM WITHHOLDING** (continued): Under the Service Member Civil Relief Act, as amended by the Military Spouses Residency Relief Act, you may be exempt from California income tax on your wages if (i) your spouse is a member of the armed forces present in California in compliance with military orders; (ii) you are present in California solely to be with your spouse; and (iii) you maintain your domicile in another state. If you claim exemption under this act, check the box on Line 3. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44) provides the income tax withholding tables. This publication may be found on EDD's Web site at [www.edd.ca.gov/Payroll\\_Taxes/Forms\\_and\\_Publications.htm](http://www.edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm). To assist you in calculating your tax liability, please visit the Franchise Tax Board's Web site at: [www.ftb.ca.gov/individuals/index.shtml](http://www.ftb.ca.gov/individuals/index.shtml).

---

**NOTIFICATION:** Your employer is required to send a copy of your DE 4 to the Franchise Tax Board (FTB) if it meets either of the following two conditions:

- You claim more than 10 withholding allowances.
- You claim exemption from State or federal income tax withholding and your employer expects your usual weekly wages to exceed \$200 per week.

IF THE IRS INSTRUCTS YOUR EMPLOYER TO WITHHOLD FEDERAL INCOME TAX BASED ON A CERTAIN WITHHOLDING STATUS, YOUR EMPLOYER IS REQUIRED TO USE THE SAME WITHHOLDING STATUS FOR STATE INCOME TAX WITHHOLDING IF YOUR WITHHOLDING ALLOWANCES FOR STATE PURPOSES MEET THE REQUIREMENTS LISTED UNDER "NOTIFICATION." IF YOU FEEL THAT THE FEDERAL DETERMINATION IS NOT CORRECT FOR STATE WITHHOLDING PURPOSES, YOU MAY REQUEST A REVIEW.

To do so, write to:

W-4 Unit  
Franchise Tax Board MS F180  
P.O. Box 2952  
Sacramento, CA 95812-2952  
Fax: (916) 843-1094

Your letter should contain the basis of your request for review. You will have the burden of showing the federal determination incorrect for State withholding purposes. The Franchise Tax Board (FTB) will limit its review to that issue. The FTB will notify both you and your employer of its findings. Your employer is then required to withhold State income tax as instructed by FTB. In the event FTB or IRS finds there is no reasonable basis for the number of withholding exemptions that you claimed on your Form W-4/DE 4, you may be subject to a penalty.

**PENALTY:** You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided for by Section 19176 of the California Revenue and Taxation Code.

## INSTRUCTIONS — 1 — ALLOWANCES\*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Are you going to itemize your deductions?
- Do you have more than one income coming into the household?

**TWO-EARNER/TWO-JOBS:** When earnings are derived from more than one source, underwithholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with one employer. Do not claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 or Form W-4 filed for the highest paying job and zero allowances are claimed for the others.

**MARRIED BUT NOT LIVING WITH YOUR SPOUSE:** You may check the "Head of Household" marital status box if you meet all of the following tests:

- (1) Your spouse will not live with you at any time during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- (3) You will file a separate return for the year.

**HEAD OF HOUSEHOLD:** To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the entire year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

## INSTRUCTIONS — 2 — ADDITIONAL WITHHOLDING ALLOWANCES

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim one or more additional withholding allowances. Use last year's FTB 540 form as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

\*Wages paid to registered domestic partners will be treated the same for State income tax purposes as wages paid to spouses for California Personal Income Tax (PIT) withholding and PIT wages. This new law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of Section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at (888) 745-3886.

If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

## INFORMATION AND INSTRUCTIONS FOR CALPERS BENEFICIARY DESIGNATION FORM

If you die before you retire, the Public Employees' Retirement Law provides for payment of specific Death Benefits to your surviving beneficiaries. Please see your personnel officer for a description of the benefits. The benefits are payable to the following beneficiaries:

- A. If you are a safety member and your death is job-related, or if you are not a safety member but you are fatally attacked while performing your official job duties, the Special Death Benefit may be payable. This benefit is payable by law to your surviving spouse/registered domestic partner (whether or not you were still living together at the time of your death) or, if none, to your unmarried children/step-children under age 22, whether or not you have filed a beneficiary designation.
- B. If you are eligible for retirement or you are a State member with at least 20 years of State service credit, a monthly death benefit allowance may be payable. If you do not have a valid beneficiary designation on file, the benefits will be payable to your surviving spouse/registered domestic partner to whom you have been married to or in a partnership with for either one year or prior to the onset of the injury or illness that resulted in death. Or, if there is no eligible surviving spouse/registered domestic partner, the allowance will be payable to your unmarried minor children, if any.

If you *do have* a valid beneficiary designation on file your spouse/registered domestic partner may still be entitled to a community property share of your lump sum contributions or monthly death benefit allowance. However, your non-spouse/non-domestic partner designated beneficiaries will receive the portion of your lump sum benefits which are not payable to your spouse/registered domestic partner as his/her community property share.

- C. If A and B do not apply and *there is no* valid Beneficiary Designation on file at the time of death, the benefits will be payable to your survivors in the following order:
  - 1. Your surviving spouse/registered domestic partner (whether or not you were still living together at the time of your death); or, if none
  - 2. Natural and adopted children, including (in limited situations) a natural child adopted by another, share and share alike; or, if none,
  - 3. Parents, share and share alike; or if none,
  - 4. Brothers and sisters, share and share alike, or if none,
  - 5. Your estate (if probated, or subject to probate), or if not,
  - 6. Your trust (if one exists), or if not,
  - 7. Stepchildren, share and share alike, or, if none,
  - 8. Grandchildren, including step-grandchildren, share and share alike, or, if none,
  - 9. Nieces and nephews, share and share alike, or, if none,
  - 10. Great-grandchildren, share and share alike, or, if none,
  - 11. Cousins, share and share alike.

If A and B do not apply and *there is* a valid Beneficiary Designation on file at the time of death, the benefits will be payable to the beneficiary(ies) you designate on the form. **However, if you are married or have a registered domestic partner at the time of death, your spouse/domestic partner may still be entitled to a community property share of your lump sum contributions.**

- D. You may designate or change your beneficiaries at any time by completing another Beneficiary Designation form. You may name as beneficiary any person or persons, a corporation or your estate. Payment will be made to your estate only if probated. You may designate a trust as your beneficiary; however, you must provide the name of the trust, the date of the trust, and the name and address where the trust is filed. It is not necessary to provide the name of the trustee. **Reminder: If you are married or in a domestic partnership at the time of your death and you do not name your spouse/domestic partner as beneficiary, he/she may still be entitled to a community property share of your lump sum contributions or a share of any monthly allowance that may be payable.**
- E. Your Beneficiary Designation will be revoked automatically, and benefits will be payable to the closest survivor listed in section C, if any of the following events occur after your designation form is received by CalPERS:
  - 1. Marriage/Registration of Domestic Partnership; or
  - 2. Dissolution or annulment of your marriage/domestic partnership. However, a designation filed after the initiation of a dissolution/annulment of marriage or domestic partnership is NOT revoked when the dissolution/annulment is finalized; or
  - 3. Birth or adoption of a child; or
  - 4. Termination of membership that results in a refund of your contributions.

### **Parking Permits**

As an employee or volunteer you are required to have a parking permit if you are parking on any college property. You can purchase a daily parking pass at any Day Pass Machine (DPM) available in most parking lots and park in Student Parking only, or you may purchase a semester (Adjunct) or annual (Faculty/Classified/Management) parking permit.

To purchase a parking permit you need to go to **[mycampuspermit.com](http://mycampuspermit.com)** at any time during a semester. Parking permits are distributed via the USPS to the address you provide and come in the form of a decal. Decals must be placed in the lower right corner of the front windshield; or you may also purchase a reusable clear mirror hanger for your decal, for \$1.50, if you prefer that method.

### **What if I have a Handicap Placard/License Plate?**

If you have a valid handicap placard/license plate you do not need to purchase a parking permit. Persons with a valid handicap placard, under Section 22511.5 CVC, may park in designated disabled parking stalls, or staff or student parking stalls if no disabled stalls are available. You may not use areas that are not indicated as parking areas. If you have a short-term disability, you may apply for a short-term permit at a Health Services office which will allow you to park closer to your class.

### **Visitor Parking**

The free visitor parking is available to guests of the YCCD. Visitor parking is for thirty (30) minutes only and the spaces are designated with a green curb. Beware, students, staff, and faculty with a valid parking permit will be ticketed if caught parking in these spaces.

## INTRODUCTION

Retirement can be one of the best stages of your life. It can also be complicated and at times stressful if you are not educated about your benefits and have not done the proper planning. Understanding the fundamentals of your CalPERS retirement benefits is a good first step toward a happy and fruitful retirement.

This publication describes retirement benefits and the retirement benefit formula for school members. To be eligible for the CalPERS School Member benefit retirement formula, you must be employed in a classified position within the jurisdiction of a school employer, except: 1) those who are local police; 2) those who are covered under the State Teachers' Retirement System (CalSTRS); 3) those who work directly for the Los Angeles or San Diego County Superintendent of Schools; 4) those employed under the jurisdiction of a Joint Powers Authority contract; 5) eligible certificated employees who elect to retain CalPERS membership (see sidebar).

Featured throughout this publication are photos of school employees from the Folsom Cordova Unified School District and San Juan Unified School District. Like them, you should understand the full spectrum of retirement and death benefits you and your beneficiary(ies) are entitled to receive from CalPERS. The purpose of this publication is to help you educate yourself about these benefits. It will provide you information on contributions, health benefits, and other programs you should consider before and after retirement. It will help you to choose the best retirement option for you and your beneficiary(ies).

You may obtain a copy of any publication or form referenced in this publication, by calling CalPERS at **888 CalPERS** (or **888-225-7377**) or by visiting CalPERS On-Line at [www.calpers.ca.gov](http://www.calpers.ca.gov).

## YOUR RETIREMENT BENEFITS

There are two types of retirement benefits:

- Service Retirement or “Normal” Retirement
- Disability Retirement

### Service Retirement or “Normal” Retirement

To be eligible for service retirement, you must be at least age 50 and have a minimum of five years of CalPERS-credited service. There are some exceptions to the five-year requirement. If you are 50 or older, employed on a part-time basis, and have worked at least five years, contact CalPERS to find out if an exception will apply to you. There is no mandatory retirement age for school members.

If you are considering applying for a service retirement, you should obtain the CalPERS publication *A Guide to Completing Your CalPERS Service Retirement Election Application*.

### Disability Retirement

This type of retirement applies to you if you become disabled and can no longer perform the duties of your job. Disability retirement has no minimum age requirement and your disability does not have to be job related. However, you must have a minimum of five years of CalPERS service credit. If you are employed on a part-time basis, and you have worked at least five years, contact CalPERS to find out if an exception will apply to you.

**You may apply for a disability retirement if:**

- You are working for a CalPERS-covered employer; or
- You are within four months of separation from a CalPERS-covered employer; or
- You separated at any time from your CalPERS-covered employer because of a disability and you have remained disabled since then; or
- You are on military or approved leave.

Once CalPERS receives a complete application package from you or someone else on your behalf (such as your employer), we will review your file to see if the information is current and complete. After verification for completeness, CalPERS can normally make a determination within three months.

If you are considering applying for disability retirement, you should obtain the CalPERS publication *A Guide to Completing Your CalPERS Disability Retirement Election Application*.

### School Safety Members

If you become disabled due to a job-related injury or illness and can no longer perform the duties of your job, you have the option to apply for an industrial disability retirement.

### Emergency Retirement

CalPERS will expedite retirement processing if you are terminally ill or facing imminent death. Contact CalPERS or your employer immediately if there is a need for emergency retirement.

### **Pay Rate**

Pay rate is your base pay, paid on a full-time basis during normal working hours.

### **Special Compensation**

In accordance with Board regulations, certain items of special compensation can be included in your final compensation. Contact your employer or CalPERS if you are unsure which types of special compensation can be included.

### **Health Vesting**

Consult your Personnel Office or call CalPERS to determine if additional service credit applies to health vesting requirements.

## **How Your Retirement Is Funded**

Three sources fund a defined benefit retirement plan like CalPERS. First, employees generally make contributions into the System. The percentage of your contribution is fixed by statute and varies from about 5 to 9 percent of your earnings, depending on the plan type and whether you are covered by Social Security. The second funding source is earnings from the investment of System assets in stocks, bonds, real estate, and other investment vehicles. The amount contributed from this source fluctuates from year to year. The balance of the funding is provided by employer contributions. Employer contributions decline when investment returns rise and increase when investment returns decline.

In a defined benefit retirement plan, you will receive a lifetime benefit determined by a set formula. For school members, CalPERS uses your years of service, age at retirement, and highest one-year compensation while employed. This contrasts with a defined contribution plan (such as 403(b) or 457 plan), in which the benefits are determined not by a formula, but solely by the amount of contributions in an account, plus earnings.

## **How Your Retirement Benefit Is Calculated**

Now that you understand the basic building blocks of a defined benefit retirement plan, it's time to learn how to calculate your retirement benefit. Three factors are multiplied together to calculate your service retirement:

- Service Credit
- Benefit Factor
- Final Compensation

### **Service Credit**

You earn service credit for each year or partial year you work for a CalPERS-covered employer. Part-time members earn service credit in proportion to the number of hours worked. Service credit accumulates on a fiscal year basis, July 1 through June 30. Refer to your CalPERS Annual Member Statement to verify your service credit as of each June 30.

In some cases, you may be eligible for other types of service credit that can help you maximize your retirement benefits.

Other types of service include:

- Unused sick leave at retirement
- Redeposit of contributions you previously withdrew from CalPERS
- Service with a CalPERS-covered employer prior to your date of membership
- Service with a public agency prior to the date of that agency's contract with CalPERS
- Certain types of leaves of absence, public service employment, Peace Corps, AmeriCorps\*VISTA, AmeriCorps, military service
- Additional Retirement Service Credit.

For more information about service credit, obtain the CalPERS publication *A Guide to Your CalPERS Service Credit Purchase Options*.

### Benefit Factor

Your benefit factor is the percentage of pay to which you are entitled for each year of service. It is determined by your age at retirement and the retirement formula for school employees, which is 2 percent at 55. Your CalPERS Annual Member Statement shows your benefit formula. On page 21, we have provided a chart showing the benefit factors based on age by quarter.

### Final Compensation

Final compensation is your average full-time **pay rate** and **special compensation** for the last consecutive 12 months of employment. We use your full-time pay rate, not your earnings. If you work part time, we will use your full-time equivalent pay rate to determine your final compensation. If you think there was another period of **12 consecutive months** during which your final compensation was higher, let us know when you apply for retirement. We will use that time period to determine your final compensation.

If your CalPERS service was coordinated with Social Security, you did not contribute on the first \$133.33 of your monthly earnings. So, when computing your retirement allowance, you must reduce your final compensation by \$133.33. For service earned after January 1, 2001, final compensation will not be reduced by \$133.33.

For some school employees, monthly pay may have been reported to us on a 10- or 11-month basis instead of 12 months. If this is the case, your final compensation will be based on a 12-month average. For example, 10-month employees would calculate their final compensation as:

- $\$2,400 \times 10 = \$24,000$
- $\$24,000 / 12 = \$2,000$  final compensation.

# Estimating Your Retirement Benefits

To estimate your future retirement benefits, multiply three factors—service credit, benefit factor, and final compensation.

Service Credit	x	Benefit Factor	x	Final Compensation	=	Unmodified Allowance*
(years)		(percent per year)		(monthly, dollars)		(pension)

You can create a retirement allowance estimate based on your projected retirement date and final compensation amount in two ways. 1) If you have not yet registered for online access, first create a Username and Password on the CalPERS website at [www.calpers.ca.gov](http://www.calpers.ca.gov). Next, log in to myCalPERS and create a personalized retirement estimate using the Annual Member Statement data already in your account. OR 2) Access the Retirement Planning Calculator on CalPERS On-Line (no password needed), and create different estimates based on data you input. You can create benefit estimates that are based on different retirement dates, final compensation amounts, and number of years of service credit. Using this option, you can estimate the increase to your retirement allowance should you elect to purchase additional service credit.

If you are within three years of your proposed retirement date, you may also request a CalPERS-generated retirement estimate by selecting Request My Estimate in myCalPERS or by completing the *Retirement Allowance Estimate Request* form located in our online Forms and Publications Center.

\* The Unmodified Allowance is the highest allowance you can receive.

## DECISIONS TO MAKE BEFORE YOU RETIRE

### Your Options at Retirement

At retirement, you can choose to receive the highest benefit payable, which is referred to as the “Unmodified Allowance.” The Unmodified Allowance provides a monthly benefit to you that ends upon your death.

You also have the choice of requesting a reduction in the Unmodified Allowance to provide a lump sum or monthly benefit for a beneficiary upon your death. This section gives you an overview of various retirement options available to you.

#### Option 1

This retirement option provides a lump sum payment of your remaining member contributions to your beneficiary after your death. The reduction to your monthly benefit to provide this payment is based on your life expectancy at retirement and the amount of your contributions. You can name one or more beneficiary(ies), and can name a new beneficiary at any time. If you name someone other than your spouse or registered domestic partner as your Option 1 beneficiary(ies), upon your death your spouse or domestic partner may still be entitled to a community property share of any remaining contributions.

*The following options (2, 2W, 3, 3W, and 4) provide lifetime monthly benefits to your designated beneficiary. The reduction to your monthly benefit to provide a monthly allowance to your beneficiary is based on both your life expectancy at retirement and your beneficiary’s – the younger your beneficiary, the greater the reduction. If you have someone eligible for Survivor Continuation, the reduction is applied only to the option portion of your benefit. (See page 9 for more about Survivor Continuation.) In most cases, you can name only one beneficiary, and your designation cannot be changed after retirement, except under limited circumstances.*

*You may name someone other than your spouse or registered domestic partner for a lifetime death benefit allowance under options 2, 2W, 3, 3W or 4. However, your spouse or registered domestic partner may be entitled to a community property share of the beneficiary’s monthly death benefit.*

#### Unmodified Allowance

The Unmodified Allowance is the highest amount payable and provides a monthly benefit to you that ends upon your death.

#### Health and Dental Insurance Coverage for Your Surviving Spouse/ Domestic Partner

A surviving spouse/ registered domestic partner may only continue health and dental coverage after your death if: 1) you have elected a lifetime Option 2, 2W, 3, 3W or 4 and named your spouse/domestic partner as the lifetime beneficiary; or 2) your spouse/domestic partner qualifies for the Survivor Continuation monthly benefit.

### Option 2

The same retirement allowance you receive will be paid to your beneficiary for life. If Survivor Continuance applies (see **page 9**), and your beneficiary is not your eligible survivor, the beneficiary's allowance will not include the Survivor Continuance portion. Your retirement allowance will increase to the Unmodified Allowance if:

- Your beneficiary dies; or
- Your non-spouse or non-domestic partner beneficiary waives entitlement to the Option 2 benefit; or
- Your beneficiary is your spouse or domestic partner legally recognized in California and upon a divorce, legal separation, termination of partnership, or annulment you provide CalPERS with a judgment that awards you the entire interest in your CalPERS benefits; and
- You notify CalPERS of the change.

### Option 2W

As an alternative to the Option 2, you may elect the slightly higher allowance under Option 2W. However, your allowance will not increase to the Unmodified Allowance under the situations described in Option 2.

### Option 3

In this option, one-half of your monthly retirement allowance will be paid to your beneficiary for life. If Survivor Continuance applies (see **page 9**), and your beneficiary is not your eligible survivor, the beneficiary's allowance will not include the Survivor Continuance portion. Your retirement allowance will increase to the Unmodified Allowance if:

- Your beneficiary dies; or
- Your non-spouse or non-domestic partner beneficiary waives entitlement to the Option 3 benefit;
- Your beneficiary is your spouse or domestic partner legally recognized in California and upon a divorce, legal separation, termination of partnership, or annulment you provide CalPERS with a judgment that awards you the entire interest in your CalPERS benefits; **and**
- You notify CalPERS of the change.

### Option 3W

As an alternative to the Option 3, you may elect the slightly higher allowance under Option 3W. However, your allowance will not increase to the Unmodified Allowance under the situations described in Option 3.

#### Option 4

Option 4 is a somewhat flexible option. There are several unique variations of Option 4, each specifically designed to mesh with various situations that might apply to you. If you are interested in choosing a lifetime option, you should familiarize yourself with these options by reviewing the publication *A Guide to CalPERS Retirement Option 4*. The amount payable to your beneficiary under Option 4 cannot exceed the amount payable under Option 2W. In addition, with any variation of Option 4, your allowance will not increase to the Unmodified Allowance under the situations described in Options 2 and 3.

#### Survivor Continuation

In making a decision about whether to reduce your Unmodified Allowance to provide for a beneficiary, you will want to consider Survivor Continuation. This is a contracted employer-paid benefit. This benefit consists of a monthly allowance that automatically continues to an eligible survivor following your death after retirement regardless of the retirement option you select.

#### Who is Eligible?

- Your spouse, if you were married for at least one year before your retirement and remained married until the date of your death, will receive the Survivor Continuation benefit for life. (For disability retirement, you need only to have been married at retirement and remained married until the date of your death.)
- Your domestic partner, if you were legally registered at least one year prior to your retirement and continuously until your death, will receive the Survivor Continuation benefit for life. (For disability retirement, you need only to have been registered as domestic partners at retirement and remained registered until the date of your death.)
- If you do not have an eligible spouse or registered domestic partner, your natural or adopted unmarried children under age 18 will receive this monthly benefit until marriage or age 18. An unmarried child who was disabled prior to age 18 and whose disability has continued without interruption will receive this benefit until the disability ends or until marriage.
- Qualifying financially dependent parents.

#### Survivor Continuation

Survivor Continuation will apply only if you have an eligible family member as of the date of your death.

#### Impact of Social Security

If your service is not coordinated with Social Security, Survivor Continuation will be one-half of your Unmodified Allowance. If your service is coordinated with Social Security, it will be one-quarter of your Unmodified Allowance. If you have some time covered and some not covered, or if you have a combination of service under CalPERS with the State or a public agency, special consideration must be given to figure the amount of your Survivor Continuation benefit.

### **Pre-Retirement Death Benefits Designations**

If you name a beneficiary other than your spouse or registered domestic partner, your spouse or registered domestic partner will still receive their community property share. The remainder will be paid to your designated beneficiary. To designate a beneficiary, use the CalPERS **Beneficiary Designation** form available from your Personnel Office or on CalPERS On-Line. (This designation will be valid only if your death is not job related. Different rules apply to job-related death benefit eligibility.)

## **PRE-RETIREMENT DEATH BENEFITS**

As a CalPERS member, you are eligible for various pre-retirement death benefits depending on your membership category, employer, retirement eligibility status, and other factors. The benefits range from a simple return of your contributions plus interest to a monthly allowance equal to half of what you would have received at retirement paid to a spouse or domestic partner. [To be eligible for any type of monthly pre-retirement death benefit, your spouse or domestic partner must have been either married to you (or legally registered) before the occurrence of the injury or the onset of the illness that resulted in your death, or for at least one year prior to your death.]

Each member's death benefits can vary significantly depending on circumstances and data. Questions relating to specific situations should be addressed to CalPERS staff for a more accurate description of individual benefits.

Upon a member's pre-retirement death, the employer and surviving family member are encouraged to immediately contact CalPERS for assistance.

For your convenience, we have divided the pre-retirement section into two parts:

- Not Eligible to Retire
- Eligible to Retire

### **Not Eligible to Retire**

You must be at least age 50 and have a minimum of five years of CalPERS-credited service or have worked part-time for at least five years to be eligible to retire. If you pass away before you are eligible, your beneficiary(ies) are entitled to the following benefits.

#### **Basic Death Benefit**

Your beneficiary will receive a lump sum payment of:

- A refund of your contributions, plus interest; and
- Up to six months' pay (one month's salary for each year of current service, to a maximum of six months).

Your beneficiary will be determined as follows:

- Named beneficiary, or if none;
- Spouse or registered domestic partner, or if none;
- Your children, or if none;
- Parents, or if none;
- Brothers and sisters, or if none;
- Estate if probated, or if not;
- Trust, or if none;
- Next of kin, as provided by law.

### 1959 Survivor Benefit

Applicable only for those not covered under Social Security while employed with a CalPERS-covered agency. The 1959 Survivor Death Benefit cannot be paid if the Special Death Benefit is elected (see side bar).

### Eligible to Retire

If you pass away at age 50 or over with a minimum of five years of CalPERS-credited service or have worked part-time for at least five years, your beneficiary(ies) are eligible for the following monthly benefits.

### 1957 Survivor Benefit

This benefit provides a monthly allowance equal to one-half of what your highest “service retirement” allowance would have been had you retired on the date of your death. Those eligible to receive this allowance are:

- Your spouse or, registered domestic partner, or if none;
- Your unmarried natural or adopted children under age 18.

..... O r .....

### Basic Death Benefit

The Basic Death Benefit will be paid if:

- No one is eligible for the monthly allowance described above.
- The person who is eligible for the monthly allowance above chooses instead to receive the Basic Death Benefit.
- A person other than a spouse or registered domestic partner is designated as a beneficiary to receive all or a portion of your lump sum death benefit.\*

### Benefit Payments

Your beneficiary will receive a lump sum payment of:

- A refund of your contributions plus interest; and
- Up to six months’ pay (one month’s salary rate for each year of current service to a maximum of six months).

If no one is eligible for the 1957 Survivor Benefit or the Special Death Benefit (if applicable), your beneficiary for the Basic Death Benefit will be determined as follows:

- Named beneficiary, or if none;
- Spouse or registered domestic partner, or if none;
- Children, or if none;
- Parents, or if none;
- Brothers and sisters, or if none;
- Estate if probated, or if not;
- Trust, or if none;
- Next of kin, as provided by law.

\* No part of the Basic Death Benefit is payable if the Special Death Benefit is paid.

### Special Death Benefit

If your death is the direct result of a violent act while you were performing your official duties, your surviving spouse, registered domestic partner, or unmarried children or eligible unmarried stepchildren under age 22 may receive a monthly allowance equal to one-half of your final compensation. If there are eligible surviving unmarried children in addition to your spouse or registered domestic partner, the allowance may be increased to a maximum of 75 percent of your final compensation. The Special Death Benefit is payable to your surviving spouse or registered domestic partner until death, or to your unmarried children until age 22.

### Inactive CalPERS Members

Beneficiaries of members who were separated from employment more than 120 days for non-health related reasons are only eligible for the Limited Death Benefit, which consists of a return of contributions and interest from the member’s account.

..... and .....

### **1959 Survivor Benefit**

Applicable only for those not covered under Social Security while employed with a CalPERS-covered agency. The 1959 Survivor Death Benefit cannot be paid if the Special Death Benefit is elected. (See below for more information.)

### **1959 Survivor Benefit Program**

The 1959 Survivor Benefit is available to school members not covered by federal Social Security with their employer. Covered members are required to pay at least a \$2 monthly fee that is deducted from your salary specifically to fund the 1959 Survivor Benefit Program.

The Program provides a monthly allowance to eligible survivors of those covered by this benefit program and who died before retirement. The 1959 Survivor Benefit is paid in addition to any other pre-retirement death benefit paid by CalPERS, with the possible exception of the Special Death Benefit. If the 1959 Survivor Benefit is greater than the Special Death Benefit, then the difference is paid as the 1959 Survivor Benefit.

### **Eligible Survivors**

#### ***Spouse***

A surviving spouse is a husband or wife who was legally married to you at least one year before your death, or before the occurrence of the injury or onset of the illness that resulted in your death. A surviving spouse is entitled to the 1959 Survivor Benefit as long as they have care of an eligible unmarried child **or** are at least age 60. A surviving spouse can remarry and continue to receive the allowance.

#### ***Domestic Partner***

To be eligible, a surviving domestic partner must have been in a legally registered domestic partnership with the member at least one year before their death or before the occurrence of the injury or onset of the illness that resulted in their death. A surviving registered domestic partner is entitled to the 1959 Survivor Benefit as long as they have care of an eligible unmarried child **or** are at least age 60. A surviving registered domestic partner can register as a domestic partner to someone else and continue to receive the allowance.

### *Children*

An unmarried child or stepchild (if the child was living with the member in a parent-child relationship) is eligible for benefits while under age 22. An unmarried child who is incapacitated because of a disability that began before attaining age 22 may be entitled to the benefit until the disability ends. If an unmarried child is in the care of a guardian or is living alone, the unmarried child's portion of the benefit is paid to the guardian or to the unmarried child directly, rather than to the surviving spouse.

### *Parents*

A parent who is at least age 60 may be eligible if there is no surviving spouse, registered domestic partner, or eligible unmarried children, and the parent was dependent on the member for at least half of their support at the time of their death.

### **1959 Survivor Monthly Allowance Levels**

Eligible survivors may receive one of the following monthly allowances.

- A spouse or registered domestic partner who has care of two or more eligible unmarried children; or three eligible unmarried children only (split among them) **\$1,800\***
- A spouse or registered domestic partner who has care of one eligible unmarried child; or two eligible unmarried children only (split among them) **\$1,500\***
- One eligible unmarried child only; or a spouse or registered domestic partner at age 60 or older **\$750\***
- Dependent parents who are at least age 60 may be eligible if there are no other eligible survivors. **\$750 each\***

\* Amounts can differ if all children are not in the spouse's or domestic partner's care.

### How Retirement Affects Your Health Benefits

If you are nearing retirement, you should read this section to gain an understanding of how retirement will affect your health benefits. Any questions can be directed to your Health Benefits Officer or Personnel Office.

#### PEMHCA

Public Employees' Medical and Hospital Care Act.

#### Your Retirement Date

If the effective date of your retirement is more than 120 days after separation from employment, you are not eligible to be enrolled in a CalPERS health plan at retirement or at any future date.

#### Medicare Health Plans

If at retirement you are enrolled in a CalPERS health plan and you are eligible for Social Security Medicare benefits, State law prohibits your continued enrollment in the Basic plan. However, you can continue your CalPERS health care by enrolling in Medicare and then in a CalPERS Medicare health plan. Contact CalPERS immediately after receiving your federal Medicare card to determine your eligibility and to coordinate your Medicare coverage.

If, upon retirement, you are enrolled in a CalPERS "Basic" health plan and you are eligible for Part A at no cost to you, State law does not allow you to remain enrolled in your "Basic" plan. Contact CalPERS immediately after receiving your Medicare card to coordinate the effective date of your Medicare coverage.

If you do not qualify for premium-free Medicare Part A based on your Social Security/Medicare work record or the record of your current, former, or deceased spouse, you may remain in a CalPERS "Basic" health plan. If you later qualify for Medicare Part A at no cost, you must enroll in Medicare Part B and in a CalPERS Medicare health plan.

You may enroll in a Supplement to Medicare or Managed Medicare health plan, and CalPERS health plans offer several ways to supplement Medicare. Please see the *CalPERS Medicare Enrollment Guide* for more detailed information.

Once you are retired, contact CalPERS if you have any questions about your health benefits or if you need to make changes to your plan or dependents.

### Your Separation Date and Your Retirement Date

As retirement approaches, you should check your calendar to determine the best way to maintain your health coverage. Two dates are particularly important: your separation date and your retirement date. If you are not sure when these dates occur, talk to your employer. The following are your health plan enrollment options when you retire:

- If your separation date and your retirement date are within 30 days of each other and you are enrolled in a CalPERS health plan at the time of retirement, your coverage will continue into retirement without a break. If you do not want your health benefits to continue into retirement, you need to cancel your coverage by submitting a *Health Benefits Plan Enrollment* form through your employer. The effective date of cancellation is the first of the month after you submit your request to cancel coverage.
- If your separation date and your retirement date are between 30 and 120 days of each other, your coverage will not automatically continue. You may re-enroll by either writing to the CalPERS Employer and Member Health Services Division within 60 days of your retirement date and requesting re-enrollment, or waiting for the next Open Enrollment period.

- You can pay monthly premiums directly to your health plan when you are not on a regular pay status. You can avoid having your coverage suspended between your last day of work and your retirement date by paying the full monthly premium. Contact the Health Benefits Officer where you worked and complete a *Direct Payment Authorization* form within 30 days of your last day on pay status.
- If you are **not** enrolled in a health plan at retirement and your retirement date is within 120 days of separation, you may enroll within 60 days of retirement or during a future Open Enrollment period. Contact your Health Benefits Officer if you are an active employee or CalPERS if you are retired.
- If your retirement effective date is more than 120 days after separation from employment, you are not eligible for coverage at retirement or at any future date.

There are some exceptions to this rule for exempt State employees. Contact CalPERS at **888 CalPERS** (or 888-225-7377) if you have questions about your eligibility.

- If you are retiring within 90 days of your own or your spouse's 65th birthday, contact the Social Security Administration (SSA) at (800) 772-1213 or TTY (800) 325-0778 about signing up for Medicare. In addition to signing up for Medicare, you will have to change from a Basic health plan to a Medicare plan that combines your Medicare benefits with your CalPERS-sponsored health benefits. CalPERS Medicare health plan members have prescription drug coverage that is as good as or better than Medicare Part D prescription coverage and must not enroll in an external Medicare Part D plan. If you do enroll in a non-CalPERS Medicare Part D plan, you will lose your CalPERS health coverage.
- If you were covered as a dependent through another health plan when you retired, you may be eligible to enroll in a CalPERS health plan. Contact CalPERS for more information.

If you have questions about your CalPERS health benefits and you are an active member, contact your Personnel Office or Health Benefits Officer. If you are a retiree, contact CalPERS at **888 CalPERS** (or 888-225-7377).

### **Making Direct Payment for Health Premiums to Cover Delays**

If you are aware of a delay in receiving your first retirement check, you should contact your Personnel Office to discuss making direct payments for your health premiums. The direct payments will ensure continuation of services and claim payments for your current PEMHCA coverage. You will be reimbursed for the direct payment amounts by the plan as soon as the payments are made by CalPERS.

## **Making Changes to Your Health Plan After Retirement**

Once you retire, CalPERS becomes your Health Benefits Officer or Personnel Office. This means you can make most changes to your health enrollment by calling CalPERS at **888 CalPERS** (or 888-225-7377). For some changes, we will ask you to send additional information to CalPERS, as indicated below.

If you prefer, you can correspond with us in writing. Please include your (or the member's) name, Social Security number, a copy of your Medicare card, and daytime phone number with area code. Be sure to include the following information when you request changes:

### *Changing Your Address*

Include both the old and new address.

### *Adding or Deleting a Dependent*

Include the dependent's name, Social Security number, birth certificate, a copy of the Medicare card if applicable, relationship to member, and reason you are adding or deleting the dependent.

### *Adding a Spouse Due to Marriage*

Include a copy of the *Marriage Certificate* as well as your spouse's date of birth and Social Security number with your request.

### *Deleting a Spouse Due to Divorce*

Include a complete signed copy of the *Divorce Decree* with your request.

### *Adding a Domestic Partner*

Submit a copy of the *Declaration of Domestic Partnership* that has been approved by the California Secretary of State's Office, as well as the Social Security number and date of birth of your domestic partner.

### *Deleting a Domestic Partner*

Submit a complete signed copy of the *Termination of Domestic Partnership* that you submitted to the California Secretary of State's Office.

### *Applying for a CalPERS-Sponsored Medicare Plan*

Upon your retirement and three months before you turn 65, CalPERS will mail you a *Certification of Medicare Status* form to validate Medicare eligibility, ineligibility, or deferment.

### *Adding an Economically Dependent Child*

Complete an *Affidavit of Eligibility* form.

**Note:** Due to recent changes under the Patient Protection and Affordable Care Act, the term "economically dependent child" may change effective January 1, 2011. Please check our website for updates to this publication.

## ADDITIONAL BENEFITS TO CONSIDER

### Reciprocity—Other California Public Retirement Systems

CalPERS has an agreement with many public retirement systems in California that allows movement from one public employer to another, within a specified time limit, without losing valuable retirement rights and related benefits. This is called “reciprocity.”

There is no transfer of funds or service credit between retirement systems when you establish reciprocity. You become a member of both systems and are subject to the membership and benefit obligations and rights of each system.

You must retire from each system separately, but it must be on the same date for all the benefits of reciprocity to apply. Once you’ve retired, you will receive separate retirement checks from each system.

For more information, or to establish reciprocity, you should review the CalPERS publication *When You Change Retirement Systems*.

### Cost-of-Living Adjustments

Cost-of-living adjustments are provided by law and are based on the Consumer Price Index for all United States cities. Cost-of-living adjustments are paid the second calendar year of your retirement and then every year thereafter.

The standard cost-of-living adjustment is a maximum of 2 percent per year. If the Consumer Price Index registers a lower rate of inflation, you could receive a lower percentage.

### Inflation Protection (PPPA)

Added protection against inflation is provided by the Purchasing Power Protection Allowance (PPPA), created to restore your monthly benefit to 75 percent of its original purchasing power.

You will automatically receive PPPA supplemental payments on a monthly basis if your benefit falls below the 75 percent purchasing power level.

### Reciprocity

This agreement between retirement systems does not apply to health vesting requirements.

## Sick Leave Credit

At retirement, any unused sick leave you have can be converted to additional service credit. (The additional service will not change your age at retirement.)

You will receive credit for all unused sick leave certified by your employer. It takes 250 days of sick leave to receive one year of service credit. For example: if your employer certified 120 days of sick leave, your additional service credit would be 0.480 ( $120 \times .004 = 0.480$ ) of a year's service credit. If the credit is indicated and verified on your retirement application, it is added to your first retirement check. If not, an adjustment is calculated after your retirement date and paid retroactively once your employer certifies the unused leave.

To receive sick leave credit, your retirement date must be within 120 days of the date of separation from employment. Please note that the retirement law provides that the conversion of sick leave hours to service credit is based on an 8-hour day and, therefore, your total hours of unused sick leave at retirement must be divided by 8 to compute the number of days of sick leave your employer can certify to CalPERS.

## Internal Revenue Code (IRC) Section 401(a)(17) Contribution Limit

If you first became a member of CalPERS on or after July 1, 1996, IRC section 401(a)(17) places limitations on the amount of member contributions you can pay into a tax-qualified retirement plan such as CalPERS. For calendar year 2010, member contributions cannot be paid on earnings more than \$245,000. This dollar amount is set every year by the Internal Revenue Service. This section does not limit or “cap” the salary an employer can pay an employee. It does specify the highest salary on which member contributions can be paid into an employee's CalPERS account. Your employer is responsible for identifying and monitoring when your salary reaches or exceeds this annual limit.

At retirement, the highest average salary (final compensation amount) used to calculate your benefit cannot exceed the section 401(a)(17) salary limit.

Example: If you became a member of CalPERS in August 1996 and earn \$300,000 in 2010, you will pay contributions on \$245,000 of your salary and, if you retired in 2010, your retirement benefit calculation would use \$245,000 as your highest final compensation.

## Internal Revenue Code (IRC) Section 415(b) Retirement Benefit Limit and CalPERS Replacement Benefit Plan (RBP)

Internal Revenue Code (IRC) Section 415(b) places a dollar limit on the annual benefit you can receive from a tax-qualified pension plan such as CalPERS. Under section 415(b), the maximum annual retirement benefit payable if you retire at your Social Security “normal retirement age” is \$195,000 for calendar year 2010. This dollar amount is set every year by the Internal Revenue Service. Determination of whether your retirement benefit will be subject to this limit can only be made at retirement.

If your retirement benefit must be limited under section 415(b), you will be enrolled in an employer-funded Replacement Benefit Plan (RBP) that replaces, to the extent possible, the amount your benefit is limited.

## RETIREMENT FORMULA & BENEFIT FACTOR

Your benefit factor is the percentage of pay to which you are entitled for each year of service. It is determined by your age at retirement and the retirement formula for school members, which is **2<sup>percent</sup>@55**

Your CalPERS Annual Member Statement shows your retirement formula for service with any other non-school employers. The following page includes a chart showing the benefit factors based on age by quarter for school members.

## GLOSSARY

This glossary can help you understand some of the words and phrases you may encounter when dealing with CalPERS.

### **Benefit Factor**

The percentage of pay you are entitled to for each year of CalPERS-covered service. It is determined by your age at retirement and your retirement formula.

### **Beneficiary**

A person you designate to receive a benefit after your death, or other benefit recipient. (Also, see survivor, which has a different definition. Your beneficiary and survivor may or may not be the same person.)

### **COBRA**

The Consolidated Omnibus Budget Reconciliation Act (COBRA) is federal legislation that allows you or a family member to continue your health plan enrollment when coverage is lost. A loss of coverage could include separation from employment, a dependent reaching age 26 (effective January 1, 2011), or divorce or legal separation.

### **Dependent**

Those family members who meet specific eligibility criteria for coverage in the CalPERS Health Program. This includes your children up to age 26 who may or may not be dependent upon you for support.

### **Domestic Partner**

Registered domestic partners legally recognized by California law are qualified for benefits and rights that apply to a spouse.

### **Disability**

An inability to substantially perform the duties of your job due to illness or injury, which is determined to be permanent or of an extended and uncertain duration.

### **Final Compensation**

Your average full-time monthly pay rate and special compensation for the last consecutive 12 months of employment. We use your full-time pay rate, not your earnings, so if you work part time, we would use your full-time equivalent pay rate to determine your final compensation. If you think there was another period of **12 consecutive months** during which your final compensation was higher, let us know when you apply for retirement. We will use that time period to determine your final compensation.

**Fiscal Year**

CalPERS operates on a fiscal year calendar, which is July 1 to June 30 each year.

**Health Insurance Portability & Accountability Act (HIPAA)**

This federal law protects health insurance coverage for workers and their families when they change or lose their jobs. It also includes provisions providing national standards to protect the privacy of personal health information.

**Member**

An employee who qualifies for membership in CalPERS and whose employer has become obligated to pay contributions into the Retirement Fund.

**PEMHCA**

Public Employees' Medical and Hospital Care Act. Government Code §§22751 et seq.

**Open Enrollment Period**

A period of time determined by the CalPERS Board when you can enroll or change health plans, or add eligible family members not currently enrolled in the CalPERS Health Program.

**Reciprocal Agreement**

An agreement between CalPERS and many public retirement systems within California that allows movement from one public employer to another, within a specified time limit, without losing valuable retirement rights and benefits.

**Service Credit**

Your credited years of employment with a CalPERS employer. This amount of service is credited to your CalPERS account and used in the formula to determine your retirement benefits. In some cases, other types of service credit (e.g., sick leave and service credit purchases) can be credited to your retirement account and used to enhance your retirement benefits.

**Special Compensation**

Additional income you might receive for uniform allowance, holiday pay, longevity pay, etc., and is reported separately from your base pay.

**Supplement to Original Medicare Plan**

For CalPERS members in Social Security due to age (over 65) or Social Security-approved disability, Medicare becomes the primary payer of claims and the supplemental CalPERS health plan covers any costs not paid by Medicare (if you have CalPERS health benefits coverage in retirement).

**Survivor**

A family member defined by law as eligible to receive specific benefits at your death.

TO: New Employees  
FROM: Benefits Office  
RE: On the Job Injury Procedure

Here's how it works:

If an injury is not a medical emergency, the employee should report the injury to their supervisor and telephone COMPANY NURSE® at 1-877-854-6877. They will speak with a Registered Nurse who will assist the employee with his or her medical needs and expedite the claims processing. The nurse receiving the call will triage the injury as follows:

- Incident report only, no treatment needed – Employee returns to work
- Minor first aid-Nurse will give self-care advice – Employee returns to work, same or next shift
- Requires further medical care – Nurse refers employee to seek treatment at designated clinic/physician.
- Emergency – Call 911 – Seek emergency treatment immediately

The COMPANY NURSE® HOTLINE is available 24 hours per day, seven days per week.

- Company Nurse® will complete a report of injury and email it to the Benefits Office and corresponding areas.
- Company Nurse® will handle all initial reporting of employee incidents. It is important to report all incidents no matter how minor. This protects the employee's rights under worker's compensation and insures they receive appropriate medical care.

The advantage of a medical professional assisting in the reporting mechanism is to ensure that the injured employee received the best available treatment appropriate to the injury. Furthermore, employees will receive instant telephonic first aid advise from a Registered Nurse any time of the day or night.

Your cooperation and participation is appreciated. Please do not hesitate to contact Peggy Freitas (209) 575-6162 or Lori Smith (209) 575-6024 in the Benefits Office with any questions.

**TO:** New Employees

**FROM:** Teresa M. Scott

**SUBJECT:** Tax Sheltered Annuities

---

Consistent with Federal and State Laws, the District has, by policy and administrative regulation, provided means by which members of the staff may purchase tax sheltered annuities (TSAs). Upon proper notification and authorization by the employee and the company with whom the employee has purchased a TSA, the District will reduce the employee's salary according to those instructions and make the authorized monthly deductions directly to the company involved.

The purchase of a TSA and the selection of an agent or company from whom a TSA is purchased are private decisions to be made by the employee. The District cannot and will not be involved in those decisions. The District cannot recommend the purchase of an annuity to an employee, cannot make judgments as to whether such a program would be advantageous to an employee, and cannot recommend companies or agents with whom the employee should do business. Employees should satisfy themselves that they are dealing with a reputable agent and company and that any program selected is sound and right in terms of their own financial situation.

Employees should be aware that there are many different types of TSA programs (there are a great many companies and agents in the business of selling TSAs) and that any such program may have a number of ramifications relating to one's take-home income, Federal and State tax status, and retirement program. The District simply cautions each employee, prior to the purchase of a TSA, to consider his or her own personal financial situation and urges each employee to consult financial, tax, and legal advisors when making their decision.

If you do decide that you want the District to make monthly TSA deductions on your behalf, call the District Payroll Office, (209) 575-6538, for instructions on how to proceed.

### Your Health Coverage Options & Covered California

The intent of this document is to provide general, not specific, information regarding the provisions of Affordable Care Act (ACA). It should not be construed as, nor is it intended to provide, legal or financial advice.

As a part of the Affordable Care Act (ACA) that was passed in 2010, employers are required to provide this notice to all employees regardless of whether or not they are eligible to participate in Employment-Based Health Plans.

Under the ACA, beginning January 1, 2014 individuals will be required to have minimum essential health coverage, or else be subject to a penalty. This is referred to as the "individual mandate." The Health Insurance Marketplace is intended to help individuals meet the individual mandate requirement by providing another place to purchase coverage, and possibly qualify for federal assistance to do so. Information and details are available at [HealthCare.gov](http://HealthCare.gov)

In California, the Health Insurance Marketplace is called "[Covered California](http://www.coveredca.com)." To assist you as you evaluate options for you and your family, this notice provides some basic information about Covered California and employment based health coverage offered by Yosemite Community College District, Employer Identification Number (EIN): 52-1566989.

Covered California is designed to help you find health insurance that meets your needs and fits your budget. Covered California offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. You are not required to purchase health coverage through Covered California, and may obtain health coverage from other sources.

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that does not meet certain standards. The savings on your premium that you are eligible for depends on your household income.

If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through Covered California and may wish to enroll in your employer's health plan, if you are eligible. (Just because you received this notice does not mean you are eligible for the Yosemite Community College District health plan.) However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If your cost for self-only coverage under the Yosemite Community College District health plan is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such cost.

**Note:** If you purchase a health plan through Covered California instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution (if any) to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through Covered California are made on an after-tax basis.

For more information about coverage offered through Covered California please visit [www.coveredca.com](http://www.coveredca.com). Covered California can help you evaluate your coverage options, including your eligibility for coverage through Covered California and its cost. You will also be able to obtain an online application for health insurance coverage. If you decide to complete an application for coverage through Covered California, you will be asked to provide certain information about the health coverage offered by Yosemite Community College District. You can obtain this information by contacting the individual listed above.
