**Step 2:

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4); **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld . . . ▶ ☐

TIP: To be accurate, submit a 2022 Form W-4 for all other jobs. If you (or your spouse) have self-employment income, including as an independent contractor, use the estimator.

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependents	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

Internal Revenue Code sections 3402(f)(2) and 6109 and their regulations require you to provide this information; your employer uses it to determine your federal income tax withholding. Failure to provide a properly completed form will result in your being treated as a single person with no other entries on the form; providing fraudulent information may subject you to penalties. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation; to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their tax laws; and to the Department of Health and Human Services for use in the National Directory of New Hires. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by Code section 6103.

The average time and expenses required to complete and file this form will vary depending on individual circumstances. For estimated averages, see the instructions for your income tax return.

If you have suggestions for making this form simpler, we would be happy to hear from you. See the instructions for your income tax return.

YOUR CALIFORNIA PERSONAL INCOME TAX MAY BE UNDERWITHHELD IF YOU DO NOT FILE THIS DE 4 FORM

IF YOU RELY ON THE FEDERAL FORM W-4 FOR YOUR CALIFORNIA WITHHOLDING ALLOWANCES, YOUR CALIFORNIA STATE PERSONAL INCOME TAX MAY BE UNDERWITHHELD AND YOU MAY OWE MONEY AT THE END OF THE YEAR.

PURPOSE: This certificate, DE 4, is for **California personal income tax withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

You should complete this form if either:

- (1) You claim a different marital status, number of regular allowances, or different additional dollar amount to be withheld for California personal income tax withholding than you claim for federal income tax withholding or,
- (2) You claim additional allowances for estimated deductions.

THIS FORM WILL NOT CHANGE YOUR FEDERAL WITHHOLDING ALLOWANCES.

The federal Form W-4 is applicable for California withholding purposes if you wish to claim the same marital status, number of regular allowances, and/or the same additional dollar amount to be withheld for state and federal purposes. However, federal tax brackets and withholding methods do not reflect state personal income tax withholding tables. **If you rely on the number**

of withholding allowances you claim on your Form W-4 withholding allowance certificate for your state income tax withholding, you may be significantly underwithheld. This is particularly true if your household income is derived from more than one source.

CHECK YOUR WITHHOLDING: After your Form W-4 and/or DE 4 takes effect, compare the State income tax withheld with your estimated total annual tax. For State withholding, use the worksheets on this form, and for federal withholding use the Internal Revenue Service (IRS) Publication 919 or federal withholding calculations.

EXEMPTION FROM WITHHOLDING: If you wish to claim exempt, complete the federal Form W-4. You may claim exempt from withholding California income tax if you did not owe any federal income tax last year and you do not expect to owe any federal income tax this year. The exemption automatically expires on February 15 of the next year. If you continue to qualify for the exempt filing status, a new Form W-4 designating EXEMPT must be submitted before February 15. If you are not having federal income tax withheld this year but expect to have a tax liability next year, the law requires you to give your employer a new Form W-4 by December 1.

EXEMPTION FROM WITHHOLDING (continued): Under the Service Member Civil Relief Act, as amended by the Military Spouses Residency Relief Act, you may be exempt from California income tax on your wages if (i) your spouse is a member of the armed forces present in California in compliance with military orders; (ii) you are present in California solely to be with your spouse; and (iii) you maintain your domicile in another state. If you claim exemption under this act, check the box on Line 3. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44) provides the income tax withholding tables. This publication may be found on EDD's Web site at www.edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm. To assist you in calculating your tax liability, please visit the Franchise Tax Board's Web site at: www.ftb.ca.gov/individuals/index.shtml.

NOTIFICATION: Your employer is required to send a copy of your DE 4 to the Franchise Tax Board (FTB) if it meets either of the following two conditions:

- You claim more than 10 withholding allowances.
- You claim exemption from State or federal income tax withholding and your employer expects your usual weekly wages to exceed \$200 per week.

IF THE IRS INSTRUCTS YOUR EMPLOYER TO WITHHOLD FEDERAL INCOME TAX BASED ON A CERTAIN WITHHOLDING STATUS, YOUR EMPLOYER IS REQUIRED TO USE THE SAME WITHHOLDING STATUS FOR STATE INCOME TAX WITHHOLDING IF YOUR WITHHOLDING ALLOWANCES FOR STATE PURPOSES MEET THE REQUIREMENTS LISTED UNDER "NOTIFICATION." IF YOU FEEL THAT THE FEDERAL DETERMINATION IS NOT CORRECT FOR STATE WITHHOLDING PURPOSES, YOU MAY REQUEST A REVIEW.

To do so, write to:

W-4 Unit
Franchise Tax Board MS F180
P.O. Box 2952
Sacramento, CA 95812-2952
Fax: (916) 843-1094

Your letter should contain the basis of your request for review. You will have the burden of showing the federal determination incorrect for State withholding purposes. The Franchise Tax Board (FTB) will limit its review to that issue. The FTB will notify both you and your employer of its findings. Your employer is then required to withhold State income tax as instructed by FTB. In the event FTB or IRS finds there is no reasonable basis for the number of withholding exemptions that you claimed on your Form W-4/DE 4, you may be subject to a penalty.

PENALTY: You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided for by Section 19176 of the California Revenue and Taxation Code.

INSTRUCTIONS — 1 — ALLOWANCES*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Are you going to itemize your deductions?
- Do you have more than one income coming into the household?

TWO-EARNER/TWO-JOBS: When earnings are derived from more than one source, underwithholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with one employer. Do not claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 or Form W-4 filed for the highest paying job and zero allowances are claimed for the others.

MARRIED BUT NOT LIVING WITH YOUR SPOUSE: You may check the "Head of Household" marital status box if you meet all of the following tests:

- (1) Your spouse will not live with you at any time during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- (3) You will file a separate return for the year.

HEAD OF HOUSEHOLD: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the entire year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

INSTRUCTIONS — 2 — ADDITIONAL WITHHOLDING ALLOWANCES

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim one or more additional withholding allowances. Use last year's FTB 540 form as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name _____ Employee ID# _____

Employer Name Yosemite Community College District Employer ID# _____

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.

Parking Permits

As an employee or volunteer you are required to have a parking permit if you are parking on any college property. You can purchase a daily parking pass at any Day Pass Machine (DPM) available in most parking lots and park in Student Parking only, or you may purchase a semester (Adjunct) or annual (Faculty/Classified/Management) parking permit.

To purchase a parking permit you need to go to **mycampuspermit.com** at any time during a semester. Parking permits are distributed via the USPS to the address you provide and come in the form of a decal. Decals must be placed in the lower right corner of the front windshield; or you may also purchase a reusable clear mirror hanger for your decal, for \$1.50, if you prefer that method.

What if I have a Handicap Placard/License Plate?

If you have a valid handicap placard/license plate you do not need to purchase a parking permit. Persons with a valid handicap placard, under Section 22511.5 CVC, may park in designated disabled parking stalls, or staff or student parking stalls if no disabled stalls are available. You may not use areas that are not indicated as parking areas. If you have a short-term disability, you may apply for a short-term permit at a Health Services office which will allow you to park closer to your class.

Visitor Parking

The free visitor parking is available to guests of the YCCD. Visitor parking is for thirty (30) minutes only and the spaces are designated with a green curb. Beware, students, staff, and faculty with a valid parking permit will be ticketed if caught parking in these spaces.

Welcome to CalSTRS

Benefits and Services for Full-Time and Part-Time Educators

CALSTRS
HOW WILL YOU SPEND YOUR FUTURE?

Welcome to CalSTRS

CalSTRS

The California State Teachers' Retirement System has nearly 600,000 active and inactive members and disburses monthly benefits to more than 215,000 retired or disabled members and their survivors.

Your retirement system, established in 1913 for California public school educators, has a long history of financial security. CalSTRS is administered by the 12-member Teachers' Retirement Board, which includes representatives from prekindergarten-12 and community college education, retired members and the public. The information here is correct as of January 2008. If differences appear between the law and this brochure, the law prevails.

Throughout your career in California's public school system and in the years to follow, you and your dependents will be eligible for valuable CalSTRS services and benefits.

Whether you are a full- or part-time educator, CalSTRS provides a number of benefits and services. This guide introduces the essential benefits of the CalSTRS Defined Benefit and Cash Balance Benefit programs.

Membership in the Defined Benefit Program is required for full-time educators.

For part-time educators, mandatory Defined Benefit Program membership requirements vary, depending on your employment status and whether your employer offers the CalSTRS Cash Balance Benefit Program.

As a part-time educator, you may choose to become a Defined Benefit Program member at any time in your career. Your employer must offer you the CalSTRS Defined Benefit Program and either Social Security or an alternative to Social Security. Districts may offer one or more alternative programs such as the CalSTRS Cash Balance Benefit Program.

For more information on the Defined Benefit and Cash Balance Benefit programs, see our most recent *Member Handbook*, which you can get from your employer. You may also view or order the handbook at www.CalSTRS.com or by calling 800-228-5453. In addition, visit our Web site for a wealth of information about our programs, benefits and services, as well as links to other resources.

CalSTRS Defined Benefit Program

My retirement is a “defined benefit” plan. What is that?

A defined benefit plan guarantees a lifetime benefit to you—and to your survivors, if you choose—regardless of the amount of funds you have contributed to your account.

Am I required to belong to the CalSTRS Defined Benefit Program?

If you are a full-time California public school prekindergarten-12 teacher or community college instructor, you are required to belong to the CalSTRS Defined Benefit Program. If you are a part-time or substitute educator, you may be required to belong to the Defined Benefit Program depending on your employment status and whether your employer offers the CalSTRS Cash Balance Benefit Program.

How much do I pay into the Defined Benefit Program?

Eight percent of your salary is automatically withheld from your paycheck. Your employer contributes an amount equal to 8.25 percent of your salary to help pay benefits.

What is a Defined Benefit Supplement account?

All members of the Defined Benefit Program also contribute to a Defined Benefit Supplement account. Your Defined Benefit Supplement account is an additional savings plan for your retirement. One-fourth of your CalSTRS payroll contributions will be allocated to your Defined Benefit Supplement account through 2010. In addition, if you earn more than one year of service credit in a school year, your contributions and most of your employer's contributions from your earnings in excess of one year will be allocated to your Defined Benefit Supplement account.

When will I receive my Defined Benefit Supplement funds?

Your funds will earn interest and be available to you when you begin to take a Defined Benefit monthly benefit or six months after you terminate CalSTRS-covered employment and receive a refund of your Defined Benefit contributions.

You can receive your funds in a lump sum or in a monthly payment if you are receiving a monthly Defined Benefit payment and have \$3,500 or more in your Defined Benefit Supplement account.

When will I be eligible for retirement benefits?

This eligibility, known as vesting, occurs when you have five years of service credit. You can retire as early as age 50 if you have at least 30 years of service credit. You can retire at age 55 with five years of service credit.

How do I know how much I will receive when I retire?

Your Defined Benefit retirement benefit is determined by a formula set by law. It is based on your age at retirement, your highest average annual compensation and the amount of service credit you have earned. Your monthly Defined Benefit retirement benefit does not depend on your accumulated contributions. For example, a teacher who is 61 years old and has 29 years of service credit will receive 62 percent of his or her working salary in retirement.

Visit www.CalSTRS.com/calculators to estimate your benefit. You can also make an appointment to talk to a CalSTRS benefits counselor. In addition, starting at age 45, you will receive an annual estimate of your projected Defined Benefit and Defined Benefit Supplement retirement benefits in your *Retirement Progress Report*.

CalSTRS Defined Benefit Program
guarantees a lifetime benefit no matter
the amount in your account.

How will I know how much is in my retirement account?

Each December, we will send you your annual statement of accounts in a brochure called your *Retirement Progress Report*. The report summarizes your Defined Benefit contributions, accrued interest and total service credit. It also shows how much is in your Defined Benefit Supplement account. If you see a discrepancy between this statement and your records, contact your employer right away.

Are there other ways to add service credit?

Yes. You may buy service credit for some types of service in out-of-state or foreign public schools, the military, Peace Corps, Job Corps, maternity or paternity leave, sabbatical leave, leave approved under the Family and Medical Leave Act, and certain other teaching jobs. In addition, once you have at least five years of CalSTRS service credit, you may buy up to five years of nonqualified service credit.

Am I entitled to disability benefits?

Yes. In general, once you are vested and meet the eligibility requirements, your disability benefits will be half your highest average annual salary for life or as long as you are disabled, plus another 10 percent for each eligible dependent child, up to a total of 90 percent, until your child reaches age 21.

Will CalSTRS pay benefits to my survivors?

Yes. Depending on your amount of service credit and if you die before or after retirement, your survivors could receive a refund of the balance in your retirement account, a one-time amount or a monthly benefit, or both.

IMPORTANT

As soon as you are hired, complete the *One-Time Death Benefit Recipient* form provided by your employer. You can also print this form from www.CalSTRS.com or call us at 800-228-5453 to request a copy.

Can I change my recipient?

Yes. You can change your recipient at any time. Remember to update your recipient designation if your choice of recipient changes during your career. In addition to your recipient, you can select an option beneficiary when you are eligible to retire. Your option beneficiary will receive a lifetime monthly benefit when you die. Your recipient and your option beneficiary do not have to be the same person.

If I leave teaching, can I keep my contributions in CalSTRS?

Yes. This is especially valuable if you might return to teaching later or if you already have at least five years of service credit. If you return to teaching, it will be expensive to recover service credit if you took a refund of your CalSTRS account. Even if you do not return to teaching, if you have at least five years of service credit, you are eligible to receive a lifetime monthly benefit from CalSTRS when you retire.

If I leave teaching, can I withdraw my contributions?

If you leave teaching, you can withdraw your own contributions and interest (partial refunds are not allowed). However, if you withdraw your contributions, you terminate your CalSTRS membership and benefit eligibility. Please consider this carefully. It is expensive if you later resume teaching and want to recover this service credit. You cannot withdraw employer contributions. For more information on the Defined Benefit Program, see page 6.

CalSTRS Cash Balance Benefit Program

What is the Cash Balance Benefit Program?

It is CalSTRS alternative retirement program that employers may choose to offer their part-time educators.

When will I be vested?

You are vested immediately. You do not have to work any minimum length of time to become eligible for benefits.

How much must my employer and I contribute?

Your employer must contribute at least 4 percent of the salary you earn. You usually pay 4 percent. However, your contribution rate may be collectively bargained with your employer.

Is the interest rate my account earns guaranteed?

Yes. It is set by the Teachers' Retirement Board based on the 30-year Treasury rate. The interest rate for the 2008-2009 fiscal year is 5 percent.

How do I know how much I have in my account?

Each year you will receive your *Retirement Progress Report*, an annual statement showing the balances of your contributions and your employers' contributions and the interest credited to your account.

Am I entitled to disability benefits?

Yes. Normal distribution is a lump-sum benefit. This amount is the sum of your contributions, interest and additional earnings credits in your and your employers' accounts. If you have \$3,500 or more in your account, you may elect to receive a monthly benefit. To learn more about additional earnings credit, see our brochure, *Cash Balance: An Exceptional Plan for Your Future*.

Will CalSTRS pay benefits to my survivors?

Yes. Typical distribution is a lump-sum benefit, which consists of your and your employers' contributions, interest and additional earnings credits. This amount is paid to your named beneficiary. If you have \$3,500 or more in your account, your named beneficiary may choose to receive a monthly benefit.

Can I continue with the Cash Balance Benefit Program if I move to another district or become a member of the Defined Benefit Program?

In most cases, you can continue as a Cash Balance participant if you move to another district that offers the program and continue part-time employment. If you become a member of the Defined Benefit Program and are no longer contributing to the Cash Balance Benefit Program, you may transfer your Cash Balance funds into the Defined Benefit Program and receive Defined Benefit service credit for your previous Cash Balance service.

With Cash Balance, you
do not have to wait to
become eligible for benefits.

What are my options if I leave public school employment?

You have two options:

- Leave your contributions on deposit with CalSTRS. The contributions in your Cash Balance account will continue to accrue interest.
- Withdraw your funds or roll them over to another eligible retirement plan or IRA. If you decide to withdraw your funds, you will have to wait six months after you terminate employment. If you withdraw your funds and then return to CalSTRS-covered employment, you will not be able to withdraw funds again for five years.

What happens when I retire?

- If you have less than \$3,500 in your account, you must take your and your employers' contributions, plus interest, in a lump sum.
- If you have \$3,500 or more in your account, you can choose to receive a monthly benefit over a specific period of time or over your lifetime and, under some circumstances, the lifetime of a beneficiary.

More About CalSTRS Defined Benefit and Cash Balance Benefit Programs

What about Social Security payments?

You do not pay into Social Security on your public school employment earnings. However, if you or your spouse otherwise qualifies for Social Security, that monthly check may be reduced because of the federal Windfall Elimination Provision or Government Pension Offset. For more information, contact the Social Security Administration at www.ssa.gov or call 800-772-1213. Your CalSTRS benefit will not be reduced if you receive Social Security.

What about Medicare?

You and your employer each pay 1.45 percent of your wages toward Medicare coverage. By paying this tax, you earn eligibility for Medicare.

Does CalSTRS provide health benefits after retirement?

No. Health benefits depend on your district's agreement with your employee bargaining unit. Contact your employer to learn more.

Does CalSTRS assist me in retirement financial planning?

To help you develop a plan to build wealth for your future, CalSTRS offers free financial education workshops. For more information or to register for a workshop, visit www.CalSTRS.com or contact your local CalSTRS benefits counseling office.

Can I save in a tax-deferred plan through payroll deduction with CalSTRS?

Most employees are eligible to participate in CalSTRS Pension2, a supplemental retirement savings program that offers 14 diversified investment options and retirement financial planning advice for your 403(b) and 457 plans. To learn more, visit www.CalSTRS.com/Pension2 or call 888-394-2060.

Part-Time Educators — Choosing Between the CalSTRS Defined Benefit Program and an Alternative Retirement Program

As a part-time, adjunct or temporary employee, you have a choice of retirement programs. Employers must offer the CalSTRS Defined Benefit Program and either Social Security or an alternative to Social Security to all educators hired to work less than 50 percent of the full-time equivalent for a specific position.

Districts can offer one or more of the following programs:

- CalSTRS Cash Balance Benefit Program
- Social Security
- Another program chosen by the district

Full-time employees are automatically enrolled in the Defined Benefit Program. As a part-time employee, you may choose the Defined Benefit Program anytime during your career.

How can I choose the plan that works best for me?

You may want to choose the CalSTRS Defined Benefit Program if you:

- Plan to work as an educator in California long enough to earn a benefit. You will be vested when you have five years of service credit with CalSTRS. For some part-time educators, this could take up to 10 years of half-time employment.
- Want a monthly benefit that provides a specific dollar amount that you know in advance and is payable for life, with benefits based on a set formula and not on the contributions in your account.
- Are comfortable contributing 8 percent of your pay toward your retirement. Your employer contributes 8.25 percent.

You may want to select the Cash Balance Benefit Program if you:

- Want a program that provides immediate vesting.
- Want a lump-sum payment or a lifetime monthly benefit based on contributions credited to your account, with a guaranteed interest rate.
- Are comfortable with the contribution rate, which is typically 4 percent of your salary, depending on your local bargaining agreement. Your employer must contribute at least 4 percent of your salary.

If your employer offers an alternative program (other than the Cash Balance Benefit Program), ask yourself:

- Does the plan offer a monthly benefit for life or is it a non-lifetime benefit based on contributions and interest?
- What is the contribution rate? Is it matched by my employer?
- Is there a vesting requirement?
- Does the program charge administrative fees? (Neither CalSTRS program charges administrative fees.)
- Is there a guaranteed annual interest rate?
- Does the plan have a record of sound investment experience?
- How long do I have to wait to receive my funds?

Where can I find more information?

The available alternative programs vary widely by district. To learn more, check with your employer or the Social Security Administration at www.ssa.gov or by calling 800-772-1213.

For more information about part-time educators and the CalSTRS Defined Benefit Program, see the *Member Handbook*. For information about the Cash Balance Benefit Program, see our brochure, *Cash Balance: An Exceptional Plan for Your Future*. There are versions for prekindergarten-12 teachers and adjunct faculty. Ask your district for a copy or view the brochure at www.CalSTRS.com. You can also request a copy by calling 800-228-5453.

RE: On the Job Injury Procedure

Here's how it works:

If an injury is not a medical emergency, the employee should report the injury to their supervisor and telephone COMPANY NURSE® at 1-877-854-6877. They will speak with a Registered Nurse who will assist the employee with his or her medical needs and expedite the claims processing. The nurse receiving the call will triage the injury as follows:

- Incident report only, no treatment needed – Employee returns to work
- Minor first aid-Nurse will give self-care advice – Employee returns to work, same or next shift
- Requires further medical care – Nurse refers employee to seek treatment at designated clinic/physician.
- Emergency – Call 911 – Seek emergency treatment immediately

The COMPANY NURSE® HOTLINE is available 24 hours per day, seven days per week.

- Company Nurse® will complete a report of injury and email it to the Benefits Office and corresponding areas.
- Company Nurse® will handle all initial reporting of employee incidents. It is important to report all incidents no matter how minor. This protects the employee's rights under worker's compensation and insures they receive appropriate medical care.

The advantage of a medical professional assisting in the reporting mechanism is to ensure that the injured employee received the best available treatment appropriate to the injury. Furthermore, employees will receive instant telephonic first aid advise from a Registered Nurse any time of the day or night.

Your cooperation and participation is appreciated. Please do not hesitate to contact Peggy Freitas (209) 575-6162 or Lori Smith (209) 575-6024 in the Benefits Office with any questions.

Your Health Coverage Options & Covered California

The intent of this document is to provide general, not specific, information regarding the provisions of Affordable Care Act (ACA). It should not be construed as, nor is it intended to provide, legal or financial advice.

As a part of the Affordable Care Act (ACA) that was passed in 2010, employers are required to provide this notice to all employees regardless of whether or not they are eligible to participate in Employment-Based Health Plans.

Under the ACA, beginning January 1, 2014 individuals will be required to have minimum essential health coverage, or else be subject to a penalty. This is referred to as the "individual mandate." The Health Insurance Marketplace is intended to help individuals meet the individual mandate requirement by providing another place to purchase coverage, and possibly qualify for federal assistance to do so. Information and details are available at HealthCare.gov

In California, the Health Insurance Marketplace is called "[Covered California](http://www.coveredca.com)." To assist you as you evaluate options for you and your family, this notice provides some basic information about Covered California and employment based health coverage offered by Yosemite Community College District, Employer Identification Number (EIN): 52-1566989.

Covered California is designed to help you find health insurance that meets your needs and fits your budget. Covered California offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. You are not required to purchase health coverage through Covered California, and may obtain health coverage from other sources.

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that does not meet certain standards. The savings on your premium that you are eligible for depends on your household income.

If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through Covered California and may wish to enroll in your employer's health plan, if you are eligible. (Just because you received this notice does not mean you are eligible for the Yosemite Community College District health plan.) However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If your cost for self-only coverage under the Yosemite Community College District health plan is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such cost.

Note: If you purchase a health plan through Covered California instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution (if any) to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through Covered California are made on an after-tax basis.

For more information about coverage offered through Covered California please visit www.coveredca.com. Covered California can help you evaluate your coverage options, including your eligibility for coverage through Covered California and its cost. You will also be able to obtain an online application for health insurance coverage. If you decide to complete an application for coverage through Covered California, you will be asked to provide certain information about the health coverage offered by Yosemite Community College District. You can obtain this information by contacting the individual listed above.

For more information about coverage offered by Yosemite Community College District, please check your summary plan description or contact: yccdbenefits@yosemite.edu, 2201 Blue Gum Avenue Phone: (209)575-6981.
