Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 and you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Expect to work only part of the year;

2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. YOUR CALIFORNIA PERSONAL INCOME TAX MAY BE UNDERWITHHELD IF YOU DO NOT FILE THIS DE 4 FORM

IF YOU RELY ON THE FEDERAL FORM W-4 FOR YOUR CALIFORNIA WITHHOLDING ALLOWANCES, YOUR CALIFORNIA STATE PERSONAL INCOME TAX MAY BE UNDERWITHHELD AND YOU MAY OWE MONEY AT THE END OF THE YEAR.

PURPOSE: This certificate, DE 4, is for <u>California</u> personal income tax withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

You should complete this form if either:

(1) You claim a different marital status, number of regular allowances, or different additional dollar amount to be withheld for California personal income tax withholding than you claim for federal income tax withholding or,

(2) You claim additional allowances for estimated deductions.

THIS FORM WILL NOT CHANGE YOUR **FEDERAL** WITHHOLDING ALLOWANCES.

The federal Form W-4 is applicable for California withholding purposes if you wish to claim the same marital status, number of regular allowances, and/or the same additional dollar amount to be withheld for state and federal purposes. However, federal tax brackets and withholding methods do not reflect state personal income tax withholding tables. **If you rely on the number** of withholding allowances you claim on your Form W-4 withholding allowance certificate for your state income tax withholding, you may be significantly underwithheld. This is particularly true if your household income is derived from more than one source.

CHECK YOUR WITHHOLDING: After your Form W-4 and/or DE 4 takes effect, compare the State income tax withheld with your estimated total annual tax. For State withholding, use the worksheets on this form, and for federal withholding use the Internal Revenue Service (IRS) Publication 919 or federal withholding calculations.

EXEMPTION FROM WITHHOLDING: If you wish to claim exempt, complete the federal Form W-4. You may claim exempt from withholding California income tax if you did not owe any federal income tax last year and you do not expect to owe any federal income tax this year. The exemption automatically expires on February 15 of the next year. If you continue to qualify for the exempt filing status, a new Form W-4 designating EXEMPT must be submitted before February 15. If you are not having federal income tax withheld this year but expect to have a tax liability next year, the law requires you to give your employer a new Form W-4 by December 1.

EXEMPTION FROM WITHOLDING (continued): Under the Service Member Civil Relief Act, as amended by the Military Spouses Residency Relief Act, you may be exempt from California income tax on your wages if (i) your spouse is a member of the armed forces present in California in compliance with military orders; (ii) you are present in California solely to be with your spouse; and (iii) you maintain your domicile in another state. If you claim exemption under this act, check the box on Line 3. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44) provides the income tax withholding tables. This publication may be found on EDD's Web site at **www.edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm**. To assist you in calculating your tax liability, please visit the Franchise Tax Board's Web site at: **www.ftb.ca.gov/individuals/index.shtml**.

NOTIFICATION: Your employer is required to send a copy of your DE 4 to the Franchise Tax Board (FTB) if it meets either of the following two conditions:

- You claim more than 10 withholding allowances.
- You claim exemption from State or federal income tax withholding and your employer expects your usual weekly wages to exceed \$200 per week.

IF THE IRS INSTRUCTS YOUR EMPLOYER TO WITHHOLD FEDERAL INCOME TAX BASED ON A CERTAIN WITHHOLDING STATUS, YOUR EMPLOYER IS REQUIRED TO USE THE SAME WITHHOLDING STATUS FOR STATE INCOME TAX WITHHOLDING IF YOUR WITHHOLDING ALLOWANCES FOR STATE PURPOSES MEET THE REQUIREMENTS LISTED UNDER "NOTIFICATION." IF YOU FEEL THAT THE FEDERAL DETERMINATION IS NOT CORRECT FOR STATE WITHHOLDING PURPOSES, YOU MAY REQUEST A REVIEW. To do so, write to:

W-4 Unit Franchise Tax Board MS F180 P.O. Box 2952 Sacramento, CA 95812-2952 Fax: (916) 843-1094

Your letter should contain the basis of your request for review. You will have the burden of showing the federal determination incorrect for State withholding purposes. The Franchise Tax Board (FTB) will limit its review to that issue. The FTB will notify both you and your employer of its findings. Your employer is then required to withhold State income tax as instructed by FTB. In the event FTB or IRS finds there is no reasonable basis for the number of withholding exemptions that you claimed on your Form W-4/DE 4, you may be subject to a penalty.

PENALTY: You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided for by Section 19176 of the California Revenue and Taxation Code.

INSTRUCTIONS — 1 — ALLOWANCES*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Are you going to itemize your deductions?
- Do you have more than one income coming into the household?

TWO-EARNER/TWO-JOBS: When earnings are derived from more than one source, underwithholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with <u>one</u> employer. Do <u>not</u> claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 or Form W-4 filed for the highest paying job and zero allowances are claimed for the others.

MARRIED BUT NOT LIVING WITH YOUR SPOUSE: You may check the "Head of Household" marital status box if you meet <u>all</u> of the following tests:

- 1) Your spouse will not live with you <u>at any time</u> during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- (3) You will file a separate return for the year.

HEAD OF HOUSEHOLD: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the <u>entire</u> year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

(F)	Total — add lines (A) through (E) above	=)

INSTRUCTIONS - 2 - ADDITIONAL WITHHOLDING ALLOWANCES

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim one or more additional withholding allowances. Use last year's FTB 540 form as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of <u>\$1,000</u>, by which you expect your estimated deductions for the year to <u>exceed your allowable</u> standard deduction.

If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name	 Employee ID#	

Employer Name Yosemite Community College District Employer ID#

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

Social Security publications and additional information, including information about exceptions to each provision, are available at <u>www.socialsecurity.gov</u>. Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security,** is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, <u>www.socialsecurity.gov/online/ssa-1945.pdf</u>. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. - TO: New Employees
- FROM: Benefits Office
- RE: On the Job Injury Procedure

Here's how it works:

If an injury is not a medical emergency, the employee should report the injury to their supervisor and telephone COMPANY NURSE® at 1-877-854-6877. They will speak with a Registered Nurse who will assist the employee with his or her medical needs and expedite the claims processing. The nurse receiving the call will triage the injury as follows:

- Incident report only, no treatment needed Employee returns to work
- Minor first aid-Nurse will give self-care advice Employee returns to work, same or next shift
- Requires further medical care Nurse refers employee to seek treatment at designated clinic/physician.
- Emergency Call 911 Seek emergency treatment immediately

The COMPANY NURSE® HOTLINE is available 24 hours per day, seven days per week.

- Company Nurse® will complete a report of injury and email it to the Benefits Office and corresponding areas.
- Company Nurse® will handle all initial reporting of employee incidents. It is important to report all incidents no matter how minor. This protects the employee's rights under worker's compensation and insures they receive appropriate medical care.

The advantage of a medical professional assisting in the reporting mechanism is to ensure that the injured employee received the best available treatment appropriate to the injury. Furthermore, employees will receive instant telephonic first aid advise from a Registered Nurse any time of the day or night.

Your cooperation and participation is appreciated. Please do not hesitate to contact Peggy Freitas (209) 575-6162 or Lori Smith (209) 575-6024 in the Benefits Office with any questions.

Your Health Coverage Options & Covered California

The intent of this document is to provide general, not specific, information regarding the provisions of Affordable Care Act (ACA). It should not be construed as, nor is it intended to provide, legal or financial advice.

As a part of the Affordable Care Act (ACA) that was passed in 2010, employers are required to provide this notice to all employees regardless of whether or not they are eligible to participate in Employment-Based Health Plans.

Under the ACA, beginning January 1, 2014 individuals will be required to have minimum essential health coverage, or else be subject to a penalty. This is referred to as the "individual mandate." The Health Insurance Marketplace is intended to help individuals meet the individual mandate requirement by providing another place to purchase coverage, and possibly qualify for federal assistance to do so. Information and details are available at HealthCare.gov

In California, the Health Insurance Marketplace is called "<u>Covered California</u>." To assist you as you evaluate options for you and your family, this notice provides some basic information about Covered California and employment based health coverage offered by Yosemite Community College District, Employer Identification Number (EIN): 52-1566989.

Covered California is designed to help you find health insurance that meets your needs and fits your budget. Covered California offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. You are not required to purchase health coverage through Covered California, and may obtain health coverage from other sources.

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that does not meet certain standards. The savings on your premium that you are eligible for depends on your household income.

If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through Covered California and may wish to enroll in your employer's health plan, if you are eligible. (Just because you received this notice does not mean you are eligible for the Yosemite Community College District health plan.) However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage that meets certain standards. If your cost for self-only coverage under the Yosemite Community College District health plan is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such cost.

Note: If you purchase a health plan through Covered California instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution (if any) to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through Covered California are made on an after-tax basis.

Parking Permits

As an employee or volunteer you are required to have a parking permit if you are parking on any college property. You can purchase a daily parking pass at any Day Pass Machine (DPM) available in most parking lots and park in Student Parking only, or you may purchase a semester (Adjunct) or annual (Faculty/Classified/Management) parking permit.

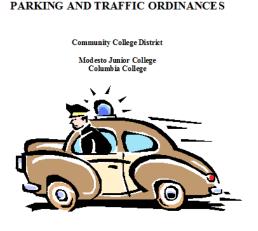

To purchase a parking permit your need to go to **mycampuspermit.com** at any time during a semester. Parking permits are distributed via the USPS to the address you provide and come in the form of a decal. Decals must be placed in the lower right corner of the front windshield; or you may also purchase a reusable clear mirror hanger for your decal, for \$1.50, if you prefer that method.

What if I have a Handicap Placard/License Plate?

If you have a valid handicap placard/license plate you do not need to purchase a parking permit. Persons with a valid handicap placard, under Section 22511. 5 CVC, may park in designated disabled parking stalls, or staff or student parking stalls if no disabled stalls are available. You may not use areas that are not indicated as parking areas. If you have a short-term disability, you may apply for a short-term permit at a Health Services office which will allow you to park closer to your class.

Visitor Parking

The free visitor parking is available to guests of the YCCD. Visitor parking is for thirty (30) minutes only and the spaces are designated with a green curb. Beware, students, staff, and faculty with a valid parking permit will be ticketed if caught parking in these spaces.
