Additional Citizens' Bond Oversight Committee Members Appointed

June 15, 2006

MODESTO, CA – At their June 14 Board meeting, the Yosemite Community College District (YCCD) Board of Trustees appointed three new members to the Citizens' Bond Oversight Committee. The purpose of the committee is to routinely inform the public concerning the expenditure of YCCD Bond Measure E revenues over the life of the District's \$326 million construction project to ensure that bond proceeds are used properly and for its intended purposes.

Serving two year terms as at-large representatives will be Patterson Unified School District Superintendent Patrick J. Sweeney, Columbia resident Nick Cretan, and Oakdale Police Chief Gary R. Hampton representing law enforcement.

The fourteen-member Citizens' Bond Oversight Committee still has two vacant student positions. Interested students from Columbia College and Modesto Junior College are encouraged to apply by contacting the YCCD Chancellor's Office at (209)575-6509.
