Citizens’ Bond Oversight Committee 5th Annual Report

MODESTO, CA – The Yosemite Community College District’s (YCCD) Citizens’ Bond Oversight Committee’s (CBOC) 5th Annual Report was presented to the YCCD Board of Trustees at their October Board meeting. The Annual Report, as well as minutes, agendas and supporting documents can be viewed on the CBOC website at www.yosemite.edu/bond.

According to YCCD Chancellor Joan Smith, “Last year three more projects found their way into the ‘completed’ category from the year before – MJC’s Ag Modular Living Units and Softball Field, and Columbia College’s Child Development Center. In addition two pieces of land were acquired for educational outreach plans in Angels Camp and Patterson.”

Smith added, “In the current fiscal year, we look forward to completing MJC’s Allied Health Life Sciences building and Ag Multipurpose Pavilion, and finishing Columbia College’s Science Natural Resources building.

YCCD’s Bond Measure E is a $326.1 million bond measure passed in November 2004 for improvements at Columbia College, Modesto Junior College, and the expansion of college education sites. As of June 30, 2010, expenditures totaled $109,853,013. The current Chair of the Citizens’ Bond Oversight Committee, Terry Plett, added “It has been exciting to see our community investment in the Measure E Bond being transformed into facilities that will enhance our community for generations to come.”
