YCCD Redistricting Plan Moves Forward

MODESTO, CA – On November 9, 2011, the Yosemite Community College District (YCCD) Board of Trustees approved a redistricting option which split YCCD Trustee Area 5 into three separate trustee areas, resulting in seven trustee areas versus the current five. In January, the Board of Governors of the California Community Colleges system approved the YCCD redistricting plan for 2012. The District's next step is to obtain final approval from the U.S. Department of Justice. A requirement of that approval is for the District to make available the redistricting plan application for public inspection and to invite comments. The application is now available at the YCCD Chancellor's Office, 2201 Blue Gum Ave, Modesto, CA.
