NOTICE

At The bid opening on August 3rd, we reminded prospective bidders that in the published Notice to Contractors and in the bid specifications the pre-bid conference was mandatory for all bidders and Abatement contractors. We further stated that we would check the apparent low bidders against the list of attendees at the pre-bid conference which was held July 8, 2010. Upon checking, it was determined that Menghetti Construction (the apparent second lowest bidder) and Modern Building Inc (the apparent third lowest bidder) listed Abatement contractors that did not attend the pre-bid conference. Therefore, their bids have been determined as unresponsive and removed from the bidders list. You will see that listed below as second lowest bidder is Lewis C. Nelson and Sons, and third, Bobo Construction.

Acme Construction is responsive and remains as the lowest bid received for the Founders Hall Renovation Project.
