

**YOSEMITE COMMUNITY COLLEGE DISTRICT**  
**Board of Trustees**

**2016-2017 SPECIAL PRIORITIES**

1. Increase partnerships with K-12 partners, higher education institutions, and the business community to promote and support community college outreach efforts through our chancellor, presidents and the Board.
2. Maintain the Yosemite Community College District General Fund reserve at a minimum of 10% on General Fund unrestricted expenditure budgets. Develop General Fund reserve criteria which will provide stability to the District when faced with unforeseen State or Local funding shortfalls; including review of the impact of the November 2016 election results (Proposition 55).
3. Encourage a new reporting procedure/format for faculty sabbaticals that provides more information to the Board of Trustees.
4. Encourage participation of all YCCD Faculty in college graduations.
5. Continue to support increased funding for the colleges by actively soliciting private sector and donor support.
6. Continue to make campus safety a priority through support of funding and improving safety conditions on campus.
