### C. Discussion Items

#### 1. ☆Classified School Employee Week

The California State Legislature and the California School Employees Association have designated May 21-27, 2006, as Classified School Employee Week in California. This designation is done in recognition of the valuable service provided to schools and colleges by these employees. Certainly the Yosemite Community College District could not function without the numerous tasks performed by these staff who bring to the District a wide variety of skills and knowledge. This resolution is presented to the Board in recognition of our appreciation of YCCD classified staff.

RECOMMENDATION: That the Board of Trustees adopt **Resolution No. 05-06/11** and thank YCCD classified staff for their commitment and contribution to our colleges.

#### 2. ☆Quarterly Report on the District's Financial Condition

Consistent with prevailing fiscal practices and in compliance with current statute, staff have prepared the quarterly statement of the District's financial condition for the quarter ended March 31, 2006. A copy of the statement is attached. The Board is required by law to hold a public hearing to review the report and direct that it be filed with the Stanislaus County Superintendent of Schools and the California Community Colleges Chancellor's Office.

Staff will be available during the meeting to formally present the report, respond to questions and to amplify where necessary.

RECOMMENDATION: That the Board of Trustees:

- a. Conduct a public hearing to review the District's financial report for the quarter ended March 31, 2006;
- b. Direct staff to submit a copy of the required report to the Stanislaus County Superintendent of Schools and the California Community Colleges Chancellor's Office.

## II. ACTION ITEMS

### C. Discussion Items

#### 3. Measure E Independent Audits

One of the District's annual responsibilities as a result of passing a general obligation bond under Proposition 39 regulations is to assure that both an independent performance audit and an independent financial audit is performed each fiscal year. The District engaged the services of independent auditors Matson and Isom to make these audits as of June 30, 2005. The Board of Trustees received the independent audit reports and an accompanying management report. Staff will be available to discuss the audit and management reports.

RECOMMENDATION: That the Board of Trustees accept the performance and financial audit reports as of June 30, 2005.

#### 4. Participation In ¼ Scale Tractor Competition

MJC is seeking Board approval of the MJC Mechanized Agriculture Club ¼ Scale Tractor Team competition this summer in the American Society of Agricultural & Biological Engineers (ASABE), ¼ Scale Tractor competition in Peoria, Illinois. Messrs. Amador and Conrado, MJC ¼ Scale Team Advisors, are in the process of planning a trip for the team that will span from May 29 to June 7, 2006.

Messrs. Amador and Conrado are arranging transportation and lodging for the team. The approximate cost of the trip will be \$12,000. Most of the funds will be raised by Messrs. Amador, Conrado, and team members. A small portion of the trip will be paid for from VTEA funds.

RECOMMENDATION: That the Board of Trustees approve the trip to Peoria, Illinois, for the Mechanized Agriculture Club ¼ Scale Tractor Team students to participate in the ¼ Scale Tractor Competition for Modesto Junior College.

## II. ACTION ITEMS

### C. Discussion Items

#### 5. Modesto Junior College Renovation/Addition

The State has requested that the District provide a Letter of Commitment indicating it will cover the budget shortfall beyond the State allocation. This letter, along with the Request to Proceed to Bid, must be submitted to the California Community Colleges Systems Office to meet the May 2006 notification deadline. MJC Measure E and College Council have forwarded recommendations that the overage for this project be funded through the Measure E allocation for MJC. Kitchell will provide specific allocation options for consideration by MJC's Measure E Committee, with the intent that a recommended solution be presented to the Board at the June meeting.

RECOMMENDATION: That the Board of Trustees approve the allocation of Measure E funds to cover the shortfall for the MJC Auditorium Renovation/Addition and direct staff to provide a Letter of Commitment to the California Community Colleges Systems Office.

#### 6. Citizens' Bond Oversight Committee

The Citizens' Bond Oversight Committee (CBOC) met on April 5, 2006. At this meeting, members serving a one-year term were given the option to serve a second two-year term. Four At-large members did not wish to seek a second term. The student member has not attended two or more consecutive meetings. This reduces the membership to ten individuals, including the student member. According to the Citizens' Bond Oversight Committee Bylaws, "the Committee shall consist of a minimum of seven members..." comprised of at least one student, one business member, one senior citizen, one taxpayers association representative, one college support organization member, and two at-large members. The Board may remove any committee member for failure to attend two consecutive meetings and appoint a replacement to complete the term.

Because there currently are enough members to satisfy the membership requirement in the "at-large" category, the Board must decide whether it wishes to fill the four vacated at-large positions. Also, the CBOC committee requested that the Board discuss the possibility of having two student representatives, one from each college, which would increase the membership by one person. The student member is currently scheduled to serve a two-year term.

RECOMMENDATION: That the Board of Trustees provide direction to staff to (1) begin the process to replace the four vacated "at-large" positions; (2) remove the current student member and appoint a replacement; and (3) provide staff with direction regarding the addition of a second student member.
