2430 Delegation of Authority to the Chancellor

The Board delegates to the Chancellor the executive responsibility for administering the policies adopted by the Board and executing all decisions of the Board requiring administrative action. The Chancellor is empowered to reasonably interpret Board policy. When situations arise which require either a governing Board or an administrative decision, and no specific policy to guide the Chancellor exists, the Chancellor shall be authorized to act in conformance with the intent of other adopted policies and actions or practices of the past. In these situations, the Chancellor shall have the power to act, but such decisions shall be subject to review by the Board. It is the duty of the Chancellor to inform the Board of such action and to recommend written Board policy if one is required.

The Chancellor may delegate any powers and duties entrusted to him or her by the Board, including the administration of Colleges and centers, but will be specifically responsible to the Board for the execution of such delegated powers and duties. The Chancellor supervises, evaluates and delegates authority to the college presidents. The college presidents serve as the chief executive officer for their respective college.

The Chancellor is expected to perform the duties contained in the Chancellor job description and fulfill other responsibilities as may be determined in annual goal-setting or evaluation sessions. The job description and goals and objectives for performance shall be developed by the Board in consultation with the Chancellor.

The Chancellor shall ensure that all relevant laws and regulations are complied with, and that required reports are submitted in a timely fashion.

The Chancellor shall make available any information or give any report requested by the Board as a whole. Individual trustee requests for information shall be met. If the Chancellor considers a request to be unduly burdensome or disruptive to District operations, then the request will be reviewed by the Board as a whole. Information provided to any Trustee shall be available to all trustees.

The Chancellor shall act as the professional advisor to the Board in policy formation.
