3420 Equal Employment Opportunity

YCCD is committed to the principles of equal employment opportunity and has implemented a comprehensive program to put those principles into practice. It is the District’s policy to ensure that all qualified applicants for employment and employees have full and equal access to employment opportunity, and are not subjected to discrimination in any program or activity of the District on the basis of ethnic group identification, race, color, national origin, religion, age, sex, physical disability, mental disability, ancestry, sexual orientation, language, accent, citizenship status, transgender status, parental status, marital status, economic status, veteran status, medical condition, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. The District strives to achieve a workforce that is welcoming to individuals from all ethnic and other groups, men, women, and persons with disabilities to ensure the district provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas. An Equal Employment Opportunity Plan is maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.
