5035 Withholding of Student Records

Grades, transcripts, diplomas, certificates, and registration privileges shall be withheld from any student or former student who has failed to pay a proper financial obligation due to the District or a College. The student shall be given notification and the opportunity to explain if the financial obligation is in error.

The definition of proper financial obligation shall include, but is not limited to: student fees; financial aid default; any obligations incurred through the use of facilities, equipment or materials; library fines; unreturned library books; materials remaining improperly in the possession of the student; and/or any other unpaid obligation a student or former student owes to the District or a College. A proper financial obligation does not include any unpaid obligation to a student organization.

A hold will be placed on a student’s academic record when the student has an outstanding obligation to the District or a College. A hold will be placed on a student’s registration when the student has an outstanding obligation to the District or a College that is \$200 or higher. Once the student satisfies the obligation, the hold will be released.
