5 6550 Disposal of Surplus Property

Disposal of surplus supplies/equipment will be accomplished by the following: Trade-in on new
purchases; surplus bid sales; an auction open to the general public. The Executive Vice Chancellor is
authorized to act as the agent of the Board to identify and dispose of all District surplus property,
consistent with applicable Code provisions. If the Executive Vice Chancellor determines the property is
of little or no value, then he/she may dispose of the property consistent with California Education Codes
81452-81453.
