

Policy

7-8044 Leadership Team

The Board of Trustees of the Yosemite Community College District recognizes the importance of establishing a Leadership Team for the purpose of fulfilling its legal responsibility for the management of public education in the Yosemite Community College District. The purposes of the Leadership Team are:

- to strengthen the administration and educational service programs of the District through participatory administrative practices and procedures.
- to strengthen administration by improving communications, decision making, conflict resolution, and other relationships as they relate to the administration of educational programs.

While the Leadership Team concept places emphasis upon shared responsibility and authority, nothing in this policy intends to limit the responsibility and authority of the Board of Trustees or the Chancellor ultimately to make decisions as prescribed by law.
