

Policy

7-8047 Staffing Academic Positions

The procedure for recommending non-management academic personnel to the Board of Trustees for official appointment will include faculty participation as contained in Administrative Procedure 4101, Contract Faculty Hiring Procedures. The Board shall delegate to the Vice Chancellor for Human Resources, the responsibility for notifying candidates when they are to be recommended for employment. The Vice Chancellor for Human Resources will then notify the candidate of his/her appointment following confirmation by the Board of Trustees.

Temporary appointments employed by contract shall be filled through a competitive process whenever possible. Except as provided by law, all probationary appointments shall be subject to standard competitive selection procedures.
