7-8048 Written Acceptance of Contract

Written notice of selection will be given to all nominees as soon as possible after the Board of Trustees acts. Any academic person, not under permanent contract, who fails to file written acceptance within forty-five (45) days after notification will be deemed to have declined the offer.

A regular employee who fails without good cause to notify the Board of Trustees prior to the first day of July of intent to remain or not to remain in the service of the District when requested in writing to do so not later than the preceding May 30 may be deemed to have declined employment, and services as an employee of the District may be terminated on June 30 of that year.
